appreciation by human rights implementing bodies Peer reviewed academic research provides credible and independent knowledge about human rights in a specific country or region as well as in various contexts and thematic areas Academia plays a major role in the development of a human rights resource base that enables sustainable enhancement of human rights protection and promotion The African Human Rights Yearbook is an excellent example of the important role played by academia in strengthening human rights protection and promotion in Africa The breadth of knowledge enveloped in the Yearbook is evidenced by the long list of highly established scholars that informed it By questioning and analysing the institutional architecture and the work of the three human rights bodies the Yearbook has an invaluable role of ameliorating their functioning as a collective system For this reason it is critical that the Committee Commission and Court take note of the various recommendations stemming from the research and apply them when relevant for better protection and promotion of human rights in Africa Mrs Goitseone Nanikie Nkwe Chairperson of the African Committee of Experts on the Rights and Welfare of the Child La Charte africaine des droits et du bien tre de l enfant Charte des droits de l enfant est l instrument central en mati re de protection et de promotion des droits et du bien tre de l enfant en Afrique Adopt e en 1990 elle fait partie int grante des instruments cl s du syst me africain des droits de l homme et compl te cet effet la Charte africaine des droits de l homme et des peuples le trait fondateur du syst me africain des droits de l homme Pour mieux prot ger les droits des enfants le Comit africain d experts sur les droits et le bien tre de l enfant Comit fut cr travers l article 34 de la Charte des droits de l enfant Cet organe a pour mission de surveiller et de contr ler l application et la mise en oeuvre de la Charte Il veille que les Etats respectent et rendent compte de la mise en oeuvre des obligations qui leur incombent en vertu de la Charte Travaillant en troite collaboration dans le cadre de la protection des droits de l homme en Afrique la Commission africaine des droits de l homme et des peuples la Cour africaine des droits de l homme et des peuples et le Comit africain d experts sur les droits et le bien tre de l enfant ont mis en place l Annuaire africain des droits de l homme Cette initiative sert d opportunit pour promouvoir les missions d volues auxdits organes raffermir les liens de collaboration entre eux et rappeler l engagement pris par l Afrique afin de prot ger les droits humains L Annuaire est une initiative importante car elle met en exergue les diff rents aspects normatifs et institutionnels des droits de l homme en Afrique Ce troisi me volume de l Annuaire est d di au th me que l Union africaine a retenu pour l ann e 2019 Ann e des r fugi s des rapatri s et des personnes d plac es Vers des solutions durables aux d placements forc s en Afrique En parall le le Comit a entrepris et publi une cartographie des enfants en mouvement en Afrique 2019 ax e sur les r fugi s les d tenus et les d plac s internes Tirant ses fondements du mandat de protection que conf re la Charte des droits de l enfant la cartographie attire l attention du continent sur la protection et la promotion des droits et du bien tre des enfants en mouvement L emphase sur les th mes de l Union africaine dans l Annuaire permet d examiner le degr de leur mise en oeuvre et leur importance au d bat sur la question des droits de l homme en Afrique Par ailleurs l accent mis sur les cat gories et groupes en situations de vuln rabilit dont les enfants et les

femmes sert à illustrer la nécessité de renforcer leur protection et de prioriser leur infortune. Les organes de protection des droits de l'homme devraient reconnaître sa juste valeur et le rôle que jouent les travaux scientifiques dans la promotion des droits de l'homme. Les travaux de recherche scientifique relus et examinés par les pairs fournissent des connaissances crédibles et indépendantes sur les droits de l'homme dans un pays ou une région spécifique ainsi que dans divers contextes et domaines thématiques. Les universités jouent un rôle prépondérant dans la mise en place des ressources adéquates en matière des droits de l'homme en vue de renforcer durablement leur protection et promotion. L'Annuaire africain des droits de l'homme est un parfait exemple de l'important rôle joué par les universités dans le renforcement de la protection et de la promotion des droits de l'homme en Afrique. La profondeur des connaissances que regorge l'Annuaire peut être illustrée de par la longue liste d'universitaires et des chercheurs qui le constituent. En interrogeant et en analysant l'architecture institutionnelle et le travail des trois organes de défense des droits de l'homme, l'Annuaire joue un rôle inestimable dans l'amélioration de leur fonctionnement en tant que système collectif. Pour cette raison, il est essentiel que le Comité, la Commission et la Cour prennent note des diverses recommandations découlant des recherches entreprises et les appliquent le cas échéant pour une meilleure protection et promotion des droits de l'homme en Afrique.

Mme Goitseone Nanikie Nkwe, Présidente du Comité africain d'experts sur les droits et le bien-être de l'enfant.
