

The background of the entire image is a photograph of a dirt path that curves through a wooded area. The path is light brown and appears to be made of compacted earth or gravel. On either side of the path, there are various trees and shrubs. Some trees have dark, bare branches, while others have green leaves. The lighting suggests a bright day, with sunlight filtering through the canopy. The overall scene is peaceful and natural.

Naipaul's literary career from *Miguel Street* to *Magic Seeds* From readings of his fiction nonfiction travel books and volumes of letters she elucidates the connections between Naipaul's personal experiences as a Hindu Indian from Trinidad living an expatriate life and the precise euphonious prose with which he is synonymous Wagner and Venice John W. Barker, 2008

Richard Wagner died suddenly in Venice in 1883 His death there initiated a process through which Wagner and his reputation were integrated into Venice's own cumulative cultural image The author examines the connections between Wagner and Venice by tracing his visits to the city and investigating the details of his death *A Poet's Revolution* Donna Hollenberg, 2013-04-17

The first full length biography of British born poet Denise Levertov 1923 1997 brings to life a major voice in American poetry during the second half of the twentieth century Drawing on exhaustive archival research of Levertov's entire opus and on interviews with dozens of the poet's friends Donna Krolik Hollenberg's authoritative biography captures the full complexity of Levertov's entire opus and on interviews with dozens of the poet's friends Donna Korlik Hollenberg's authoritative biography captures the full complexity of Levertov as both a woman and an artist and the dynamic world she inhabited Front jacket flap *The Story of My Campaign* Francis T. Moore, 2011-09-01

In 1861 Francis Moore appeared to be a perfectly ordinary twenty three year old man a carriage maker in the bustling Mississippi River town of Quincy Illinois And there he might well have lived out his life in unadventurous comfort But then the Civil War burst out and Moore along with most of his friends like young men North and South rushed to enlist in the army His cavalry regiment soon set off for what proved to be four years of warfare plunging him into harrowing experiences of battle that would have been unimaginable back in his small hometown and that uprooted him body and soul for the remainder of his life Enter *The Story of My Campaign* the remarkable Civil War memoir of Captain Francis T Moore which historian Thomas Bahde here offers in an original edition to contemporary readers for the first time Moore began the war as a private in Company L of the Second Illinois Volunteer Cavalry and was soon promoted to lieutenant and then captain of his company He spent most of the war fighting guerillas in Missouri Kentucky Tennessee Mississippi and Louisiana He fought at the battle of Belmont Kentucky in 1861 and raided Mississippi with General Benjamin Grierson in 1864 He also battled Confederate leaders such as Nathan Bedford Forrest and Leonidas Polk His unflinching chronicle of small scale and irregular warfare combined with his intimate account of military life make his memoir as absorbing as it is historically valuable Moore was also an unusually articulate young man with strong opinions about the war the preservation of the Union the institution of slavery African Americans the people of the South and the Confederacy his wartime observations and his postwar reflections on these themes provide not only a captivating narrative they also provide readers with an opportunity to examine how the conflict endured in the memory of its veterans and the nation they served The enormous social upheaval and staggering loss of human life during the Civil War cannot be overstated the estimated 2 percent of Americans or 620 000 people who died in the conflict would be the equivalent of 6 000 000 people today *The Story of My Campaign* offers an indelible account of this conflagration from the

perspective of one of its survivors It is evidence of a hard war fought and the long hard life that followed *Masquerade* Alfred F. Young,2005-03-08 In *Masquerade* Alfred F Young scrapes through layers of fiction and myth to uncover the story of Deborah Sampson a Massachusetts woman who passed as a man and fought as a soldier for seventeen months toward the end of the American Revolution Deborah Sampson was not the only woman to pose as a male and fight in the war but she was certainly one of the most successful and celebrated She managed to fight in combat and earn the respect of her officers and peers and in later years she toured the country lecturing about her experiences and was partially successful in obtaining veterans benefits Her full story however was buried underneath exaggeration and myth some of which she may have created herself becoming another sort of masquerade Young takes the reader with him through his painstaking efforts to reveal the real Deborah Sampson in a work of history that is as spellbinding as the best detective fiction *House Built on Ashes* José Antonio Rodríguez,2017-02-10 The year is 2009 and Jos Antonio Rodr guez a doctoral student at Binghamton University in upstate New York is packing his suitcase getting ready to spend the Thanksgiving holiday with his parents in South Texas He soon learns from his father that a drug cartel has overtaken the Mexican border village where he was born Now because of the violence there he won t be able to visit his early childhood home Instead his memories will have to take him back Thus Rodr guez begins a meditative journey into the past Through a series of vignettes he mines the details of a childhood and adolescence fraught with deprivation but offset by moments of tenderness and beauty Suddenly he is four years old again and his mother is feeding him raw sugarcane for the first time With the sweetness still on his tongue he runs to a field where he falls asleep under a glowing pink sky The conditions of rural poverty prove too much for his family to bear and Rodr guez moves with his mother and three of his nine siblings across the border to McAllen Texas Now a resident of the other side Rodr guez experiences the luxury of indoor toilets and gazes at television commercials promising more food than he has ever seen But there is no easy passage into this brighter future Poignant and lyrical *House Built on Ashes* contemplates the promises limitations and contradictions of the American Dream Even as it tells a deeply personal story it evokes larger political cultural and social realities It speaks to what America is and what it is not It speaks to a world of hunger prejudice and far too many boundaries But it speaks as well to the redemptive power of beauty and its life sustaining gift of hope
