Louis Van Gaal Dutch Courage:

Louis Van Gaal Andrew Kirby, 2014-12-09 Louis van Gaal is a paradox from top to toe This is the man who when unveiled as Bayern Munich manager in 2009 described himself like this I am what I am self confident arrogant dominant honest industrious innovative Former players have described him as scary as a volcano The former Barcelona president described him as the devil himself At Bayern they said he vaangalised their team And yet at the same time he is warm blooded He openly admits I cry almost every day There s always something that touches me Barcelona s Xavi says of him People see him as arrogant and aloof but he s really not Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal studying his philosophy and his character as well as some of the excellent football teams he has produced This Dutch master has been the head of some of the greatest dynasties in European football Ajax Barcelona Bayern Munich and Manchester United as well as the boss of the Netherlands national team twice Along the way he has won a combined seven league championships across Europe He has also been successful in continental competitions listing the Champions League the UEFA Cup and the UEFA Super Cup amongst his honours As head coach of the Netherlands in the 2014 World Cup he led them to within a whisker of the final beating world champions Spain 5 1 along the way before his young Dutch charges were finally beaten on penalties by Argentina in the semi final But in 2014 he took on arguably his greatest challenge restoring Manchester United to their perch after a year in the doldrums Christian Nerlinger predicts that Van Gaal s United reign will be anything but predictable one thing is for sure it will not be boring And this book is anything but boring It is the exciting tale which supporters of Ajax Barcelona AZ Alkmaar Bayern Munich Manchester United and the Netherlands national team will want to read Andrew J Kirby is a season ticket holder at Old Trafford and writes about United for a number of fanzines and blogs He is the author of Fergie s Finest Sir Alex Ferguson s Greatest Manchester United x11 and The Pride of all Europe Manchester United s Greatest Seasons in the European Cup PRAISE FOR THE BOOK From Ajax to Man United via Bayern Munich Andrew J Kirby plots the rise of this indomitable complex figure with verve and great insight Despite not being a Manchester United fan Van Gaal s extreme personality has long intrigued me Kirby captures it on the page with an uncanny accuracy This book is exhaustively researched and offers great psychological insights into the man as well as the world of football Most books about football are poor Kirby s is an exception and is written with a ferocious intellect that matches its subject matter A must read for fans of United and those of us interested in this colossus of football Guy Mankowski author of How I Left the National Grid PRAISE FOR ANDREW J KIRBY S SPORTSWRITING The author knows his stuff Angela Bowman Manchester United fan The perfect gift for the red devil in your life Sam Sharp Manchester United fan A good read for United fans young and old AJ Hellina Amazon reader A must read for any red Scott the Red Republik of Mancunia on Fergie s Finest Louis van Gaal Maarten Meijer, 2014-07-24 So who is Louis van Gaal An inflexible ex PE teacher who only knows how to act like a dictator or a footballing visionary that has made him one of the greatest ever

European managers Wherever he has gone Van Gaal has been accused of being a domineering disciplinarian and a control freak He is certainly by his own admission a man who leaves nothing to chance A disciple in the 1970s of Rinus Michels Total Football philosophy he is a fascinating contradiction an ultra individualist utterly devoted to the collective effort He believes in the team over the individual in always having a plan and a team prepared to follow it Van Gaal led the young Ajax team he moulded to Champions League glory in 1995 went on to win titles across Europe with Barcelona AZ Alkmaar and Bayern Munich and served two stints as national coach of Holland It is a career that has never been short on colour and drama from fallouts with players to rants at the media wherever he has managed Dutch football commentator Maarten Meijer s has written the definitive biography of van Gaal both the man and his methods It offers the best psychological insight so far from his earliest roots to his greatest triumphs into the man given the task of returning the glory days to Manchester United New chapter on Louis van Gaal s first season with Manchester United

The Coaching Philosophies of Louis Van Gaal and the Ajax Coaches Henny Kormelink,Tjeu Seeverens,1997 The methods and philosophies of the coaches at one of the most successful Clubs in the history of European soccer The current Manchester United manager made a name for himself in the world of football while at dutch super club Ajax Amsterdam This book chronicles his time in charge there with unprecedented inside access to the methods and philosophies that produced not only championship teams but also world class players

O, Louis Hugo Borst,2014-11-20 Am I so smart or are you so stupid Louis van Gaal I started out wanting to write a book about Marco van Basten I still do but I dread the moment when I have to write something I know will make him unhappy He s not a man you wage war on With Louis van Gaal it s different as a journalist he leaves you no choice You re not worthy of the name if you aren t prepared to return fire when he starts yelling Hugo Borst is an award winning writer journalist and TV pundit He is also a close friend of Louis van Gaal Well he used to be O Louis is Hugo s attempt to get to grips with this larger than life character Full of outrageous stories and unintentionally hilarious encounters Borst details his quest to understand the man and the breakdown in their friendship He interviews an array of experts who each interpret the great manager from the perspective of their own field a cleric a politician a psychiatrist an impersonator a theatre director writers poets and a trio of keen comic minds Through these meetings as well as through his own encounters with Van Gaal Borst is finally able to unlock the personality of this exceptional talented infuriating and even occasionally loveable man This book will sell well Everything that has my face on it sells well Louis van Gaal

Discrimination in Football Christos Kassimeris, 2021-05-17 While football does not generate discriminatory behaviour it often replicates the very same social issues that concern any given society Evidently football has witnessed an alarming increase in the number of disturbing incidents on the grounds of racism ethnocentrism sectarianism homophobia and sexism Given the variety of forms that discrimination can take it is imperative that football addresses with effect all such anti social phenomena in order to continue to promote notions pertaining to social inclusion equality and cultural diversity all central to the game s philosophy and overall popularity Assessing the nature and causes of discrimination in football is key to identifying the much needed remedies but also because discrimination poses a serious challenge to long established practices deeply rooted in democracy Discrimination in Football provides a comprehensive and in depth investigation into these key issues affecting football today This new book will appeal to academics and students with an interest in social science law sport and humanities as well as football fans and professionals in the football industry
