Recreatable Kevin Scott, 2014-02-01 ReCreatable begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor

disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us ReCreatable leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God s glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God

Wonder Clearing, Discussion Guide Taylor Penfield,2020-10-09 The discussion guide for the novel Wonder Clearing comes at a critical moment for churches and nations Both churches and nations are suffering through not only a terrible pandemic threatening physical health but also a pandemic of division that threatens the heart of our churches and the soul of civic society Small groups using the discussion guide will focus on issues pertinent to contemporary America including racism sexual orientation and sexual exploitation of women and children These issues play out in our world in religion culture and politics Online or in person discussion groups will easily apply the questions Scriptures and discussions to their own situations Current social issues in both Catholic and Protestant churches echo many of the themes of the book Political issues including immigration civil rights and discrimination parallel the experiences of Rob and Alphonso in the Steepleton of their youth But the appeal of discussing Wonder Clearing will be far more than pertinence of the issues and the reality of current prejudices Instead discussing the experience of the characters will offer participants an alternative way of living in a divisive religious and political world
