"Ethel's Love-Life" and Other Writings Margaret J. M. Sweat,2020-12-25 In a series of lengthy letters the unsettled and unruly Ethel Sutherland writes to an initially unnamed and ungendered correspondent and patiently discloses the troubled history of her past romantic attachments to both men and women Not until the third letter does she reveal that her correspondent is Ernest the man to whom she is engaged to be married Wanting to make him understand how all of her past loves are included and sublimated in her love for him she especially wants to explain how women often love each other with as much fervor and excitement as they do men and although this love is curiously freed from all the grosser elements of passion as it exists between sexes nevertheless it retains its energy its abandonment its flush its eagerness its palpitation and its rapture Margaret Jane Mussey Sweat 1823 1908 a native of Portland Maine and wife of a United States congressman published Ethel s Love Life in 1859 The book is sometimes credited as an early even the first lesbian American novel but such a label Christopher Looby observes in his Introduction somewhat misrepresents what is distinctive and surprising about the book Ethel s Love Life confounds our received binary distinctions between the spiritual and the carnal and indeed between the sexual and the nonsexual the boundaries between such categories being not nearly as well policed at the time as they later became It is here reprinted along with Sweat s Verses 1890 and five of her published essays on Charlotte Bront George

Sand the contemporary novel and the friendships of women **A Certain Je Ne Sais Quoi** Charles Timoney, 2009-08-06
Vocabulary alone isn't enough To survive in the most sophisticated and the most scathing nation on Earth you will need to understand the many peculiarities of the very peculiar French culture And for that you need *A Certain Je Ne Sais Quoi* If you want to fit in with the French you'll have to know how to deal with sardonic waiters why French children hate Charlemagne the etiquette of kissing joke telling and drinking songs what to do with a bidet the correct recipe for a *salade nicoise* and of course how to convey absolute shattering indifference with a single syllable *Bof* Charles Timoney the author of *Pardon My French* provides a practical pleasurable guide to the charms of the Gallic people from their daily routines to their peerless gesticulations from their come ons to their put downs Read on and put the oh la la back into your French vacances Your inner gaul will thank you for it *Imagination, Meditation, and Cognition in the Middle Ages* Michelle Karnes, 2017-12-20 In *Imagination Meditation and Cognition in the Middle Ages* Michelle Karnes revises the history of medieval imagination with a detailed analysis of its role in the period's meditations and theories of cognition Karnes here understands imagination in its technical philosophical sense taking her cue from Bonaventure the thirteenth century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one Karnes examines Bonaventure's meditational works the *Meditationes vitae Christi* the *Stimulus amoris* Piers Plowman and Nicholas Love's *Myrrour* among others and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of Christ Emphasizing the cognitive significance of both imagination and the meditations that relied on it she revises a long standing association of imagination with the Middle Ages In her account imagination was not simply an object of suspicion but also a crucial intellectual spiritual and literary resource that exercised considerable authority [Live love life](#) Paromita Chattopadhyay, *Live Love Life* is a soulful anthology encapsulating poignant poems and stories depicting the myriad shades of life Every poem and every story in the anthology penned by the co authors strikes a chord and nudges you to take the journey inwards It endorses that Life is beautiful and every moment is a celebration of being alive even in the face of adversity and challenges Love and friendship form the bedrock of our life and add soul and purpose to it This book is a celebration of Love that is divine and the foundation of every relationship we ever build as we navigate through life The narratives are a beautiful reminder of how friendship is precious and adds a unique dimension to life This anthology is a simple yet honest endeavour to showcase the sterling spectrum of life It endorses the adage that Life is not merely to be alive but to feel alive every moment [May I Have a Word With You?](#) David Tickner, Words are the foundation of all communication the foundation upon which we build our understanding of the world around us of nature philosophy faith and of ourselves But where do those words come from Using humor and insight paired with in depth etymological knowledge the author explores the origins of over two hundred words commonly found within the sphere of religion and spirituality Created to give voice to reflection and emotion such words are

like windows we can look through to see the meaning and wonder of our lives As such the more we know about how they evolved the more we can appreciate the experiences and wisdom of those who created them and recognize how such words continue to evolve in use and meaning This provocative book will help you rethink the words you use to speak about spirituality and faith This book will give you a new appreciation for their origins and power *The Musical Worlds of Lerner and Loewe* Gene Lees,2005-01-01 Biography of lyricist Alan Jay Lerner and composer Frederick Loewe creators of memorable Broadway and motion picture musicals **The Hidden Isaac Bashevis Singer** Seth L. Wolitz,2013-12-06 Nobel Prize winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened often shorn of much description and religious matter and their perspectives and denouements are significantly altered In short they turn the Yiddish author into a Jewish American English writer detached from of his Eastern European Jewish literary and cultural roots By contrast this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis The essays are grouped around four themes The Yiddish language and the Yiddish cultural experience in Bashevis s writings Thematic approaches to the study of Bashevis s literature Bashevis s interface with other times and cultures Interpretations of Bashevis s autobiographical writings A special feature of this volume is the inclusion of Joseph Sherman s new faithful translation of a chapter from Bashevis s Yiddish underworld novel Yarme and Keyle *Love and Law in Europe* Hanne Petersen,2018-11-08 First published in 1998 this volume aims to draw attention to an ongoing shift in the perception of law which is now increasingly understood as a cultural and historical phenomenon As other such phenomena like music literature or art it is acknowledged that it is created in a specific environment on which it is dependent for its functioning and interpretation The historical aspects of love in a European and Nordic context are underlined as well as the modern understanding of love and law as incompatible and contrasting concepts Developments within the European Union and especially the relation of the EU to so called third country nationals and immigrants demonstrate that the problematic concerning law and love is not only one of legal philosophy but also of legal and everyday reality The claim that love has been specifically European is discarded as Eurocentrist and the need for more particular emotions and a more pragmatic approach to romantic feelings for a reasonable love is discussed from legal feminist and philosophical perspectives *Dandyism and Transcultural Modernity* Hsiao-yen Peng,2015-01-28 This book views the Neo Sensation mode of writing as a traveling genre or style that originated in France moved on to Japan and then to China The author contends that modernity is possible only on the transcultural site transcultural in the sense of breaking the divide between past and present elite and popular national and regional male and female literary and non literary inside and outside To illustrate the concept of transcultural modernity three icons are highlighted on the transcultural site the dandy the flaneur and the translator Mere flaneurs and flaneurses

simply float with the tide of heterogeneous information on the transcultural site whereas the dandy flaneur and the cultural translator propellers of modernity manage to bring about transformative creation Their performance marks the essence of transcultural modernity the self consciousness of working on the threshold always testing the limits of boundaries and tempted to go beyond them To develop the concept of dandyism the quintessence of transcultural modernity the Neo Sensation gender triad formed by the dandy the modern girl and the modern boy is laid out Writers discussed include Liu Na ou a Shanghai dandy par excellence from Taiwan Paul Morand who looked upon Coco Chanel the female dandy as his perfect other self and Yokomitsu Riichi who developed the theory of Neo Sensation from Kant s the thing in itself *Love Life Time & The Universe* Dr. Jagtindra Prasad Saxena,2010-05-11 Dr Jagtindra Prasad Saxena being a person of artistic temperament with a flair for music fine art and literature since very young age has very aesthetically authored this poetry book Moment I study is the first poem written by him as a student Dr Saxena s first book on a very topical subject Educated Unemployment in India was published by Commercial Publications Bureau New Delhi in 1972 Printing and publication of his poetry books both in Hindi and English could be expedited only after his retirement from service in 2000 and his first Hindi poetry book Paribhashayan Badal Do was published in 2000 This book is a collection of forty five poems written on diverse themes some related to reminiscences of the past few depict picturesque view of pretty nature Some of the poems convey the author s concern about global warming plundering of nature damage to flora and fauna growing conflicts of interest and lawlessness The human life today is getting fast and devoid of peace harmony and spontaneity Few poems reflect the poet s faith in the supremacy of nature the Supreme Power the Lord of the Universe One poem is written in obeisance of the Lord Companion Testimony of Time are philosophical depicting the realities of life Dr Saxena has been close to nature since his childhood He found opportunities of visiting mountains lakes hills waterfalls seashores He felt there is beauty all around in natural surroundings The poems Pretty Nature Spring Season present a vivid picture of the beauty of nature He looks at the blue sky the twinkling stars in the night sky and at the wandering clouds and finds in them the beauty that brings him eternal pleasure Oh natural beauty is there In spate In dancing waves The roaring sea In flowing rivulets upon the hills In coloured rays Shining bright He further writes O Spring Spring in wild fantasies Bending and floating With tender buds and flowers Flee not thou let me dream The blueness of Heaven Freshness of springtime Pleasantness of fragrant weather Make my spirit sublime Dr Saxena develops a bond of love with pretty birds like the cuckoo He gets enchanted with sweet melody of the cuckoo and the colourful beauty of the butterflies He writes How kind of you cuckoo Be thou my neighbour For ever Let me be lost With sweet sensations And feeling of delight Flowing out of your Sweet melodies Rivulet s Journey is a masterpiece of the poetic skills of Dr Saxena as it presents a live picture of a rivulet Streaming down With a gush To meet The mighty river Journeying onward Steadily With no respite To see gorges Valleys and plains In the long journey of life one passes through different phases ups and downs in life moments of pain and sufferings success and happiness and so on They find expression
