Lover Awakened Number In Series:

Love Awakened by Love Mark O'Keefe OSB, 2014-04-14 A skilled moral theologian Benedictine Father Mark O'Keefe leads God seekers to focus attention on St John of the Cross's teaching in *The Ascent of Mount Carmel*. The essence of the spiritual journey is union with God through the practice of the virtues especially faith, hope, and love. It's virtuous living that enables us to truly love God and be conformed to God in divine union. For St John, religious experiences are not the essence of the spiritual journey at all, nor is asceticism for its own sake. John's emphasis on the *nada* is to lead us to liberating emptiness, authentic human freedom that equips us to be filled with the divine life. At the journey's summit, we find the God who is Love. This book is an insightful companion to *The Ascent of Mount Carmel*. Ideal for personal and group study, Carmelite formation, college courses, and a must for every library.

Lover Unleashed J.R. Ward, 2011-11-01 Payne, twin sister of the Black Dagger Brother Vishous, suffers a devastating injury and brilliant human surgeon Manuel Manello is called in to save her. Their attraction is instant and as powerful as it is dangerous. But as human and vampire worlds collide, a centuries-old score catches up with Payne and puts both her love and her life in jeopardy.

A Bloom in Winter J.R. Ward, 2024-11-12 Another sexy high stakes holiday spinoff installment that takes place in the world of the New York Times bestselling Black Dagger Brotherhood series.

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.
