The Entertainment Software Rating Board

A GUIDE TO VIDEO GAME RATINGS

The Entertainment Software Rating Board (ESRB) is an independent, non-profit organization that assigns age and content ratings to video games. These ratings help parents and consumers make informed decisions about which games are appropriate for their children. The ESRB ratings are based on the content of the game, including violence, language, and sexual content.

The ESRB ratings are as follows:
E (Everyone): Suitable for all ages.
E10+ (Everyone 10 and older): May contain mild language and violence.
T (Teen): May contain moderate language and violence.
M (Mature): May contain strong language and violence.
RP (Rating Pending): Rating has not yet been assigned.

For more information on the ESRB ratings, visit the ESRB website at www.esrb.org. The ESRB ratings are a key factor in the purchase of video games, and they help parents and consumers make informed decisions about which games are appropriate for their children.
