5 At the beginning of this text Deering and Angus are trapped on a mountain.

Explain how the language used in Paragraph 1 emphasises the lack of visibility on the mountain. Support your ideas with three details from the paragraph.

- Firstly, "black already fled" implies that the fog was obscuring ^{visibility} so concentrated to the point it coated the person standing ^{silently}.
- Secondly, "muffled the fading sun" suggests that the fog was obscuring the sunlit, thus making them lost ^{as they could not see the sun} and their only natural lightsource to aid them through the fog.
- Thirdly, "world pushed down into a dark distance" says that there was no longer sunlight to help them get past the fog which would affect them as without a strong light source, it would be ^{challenging to hike through the mountains.}

7 The writer says that something he had read in a wilderness survival manual 'began snapping away at the edge of my decision' (line 20).

(i) What was his 'decision'?

It was not to head down the cliff in distress.

[1]

(ii) What is suggested by 'snapping away at the edge'?

It suggests even the smallest and most insignificant survival manual had 'snapping' at his mind away at the edge of his mind.

8 In line 28 the writer says 'Or words to that effect'.
