Federer The Greatest:

Roger Federer: The Greatest Chris Bowers, 2011-05-02 Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record breaking tally of 16 Grand Slam titles to his name he shows no sign of slowing down and in 2010 added another Australian Open win to his collection as well as taking the trophy in the end of season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French speaking part of Switzerland and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as following a serious illness and a dip in form his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long time rival Rafael Nadal. In characteristic style Federer silenced his critics by winning the French Open title for the first time reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

Federer - The Greatest Chris Bowers, 2015 The Master Christopher Clarey, 2021-08-24 This New York Times bestselling biography tells the life story of the most iconic men's tennis player of the modern era. There have been other biographies of Roger Federer but never one with this kind of access to the man himself, his support team and the most prominent figures in the game including such rivals as Rafael Nadal, Novak Djokovic and Andy Roddick. In The Master New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and in his most gravity defying act remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach blond teenager with dubious style sense to one of the greatest, most self possessed and elegant of competitors has been a long running act of will not destiny. He not only had a great gift, he had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here Clarey focuses on the pivotal people, places and moments in Federer's long and rich career, reporting from South Africa, South America, the Middle East, four Grand Slam tournaments and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. The Master tells the story of Federer's life and career on both an intimate and grand scale in a way no one else could possibly do.

historic 2008 match between tennis titans In the 2008 Wimbledon men s final Centre Court was a stage set worthy of Shakespearean drama Five time champion Roger Federer was on track to take his rightful place as the most dominant player in the history of the game He just needed to cling to his trajectory So in the last few moments of daylight Centre Court witnessed a coronation Only it wasn t a crowning for the Swiss heir apparent but for a swashbuckling Spaniard Twenty two year old Rafael Nadal prevailed in five sets in what was according to the author essentially a four hour forty eight minute infomercial for everything that is right about tennis a festival of skill accuracy grace strength speed endurance determination and sportsmanship It was also the encapsulation of a fascinating rivalry hard fought and of historic proportions In the tradition of John McPhee s classic *Levels of the Game* Strokes of Genius deconstructs this defining moment in sport using that match as the backbone of a provocative thoughtful and entertaining look at the science art psychology technology strategy and personality that go into a single tennis match With vivid intimate detail Wertheim re creates this epic battle in a book that is both a study of the mechanics and art of the game and the portrait of a rivalry as dramatic as that of Ali Frazier Palmer Nicklaus and McEnroe Borg Deftly touches on all the defining factors of contemporary tennis San Francisco Chronicle Illuminates a kingdom changing hands An engrossing book Bud Collins [Roger Federer: the Inspiring Story of One of Tennis' Greatest Legends](#) Clayton Geoffreys,2017-03-12 Learn the Inspiring Story of One of Tennis Greatest Legends Roger Federer Read on your PC Mac smartphone tablet or Kindle device This holiday season if you buy the print edition as a gift you can keep the Kindle edition for yourself In Roger Federer The Inspiring Story of One of Tennis Greatest Legends you will learn the inspirational story of one of tennis premier players Roger Federer Few players have dominated the game of tennis as much as Federer As of early 2017 Federer holds eighteen Grand Slam singles titles the most in history for a male tennis player When Federer ultimately retires he will easily go down as one of the greatest to ever play the game Federer has demonstrated not only what it means to be a champion but how to carry oneself as a champion on and off the court In this unauthorized biography we ll explore Federer s journey to becoming one of the all time greats and learn what it has taken him to reach where he is today Here is a preview of what is inside this book Early Life and Childhood Junior Years and Early Career First Major Title 2003 Wimbledon Rise to Number 1 and Dominance Federer s Rivals Federer s Personal Life Roger Federer s Impact The Legacy of Roger Federer An excerpt from the book There are four things for which Switzerland is globally renowned Chocolate precision timepieces neutrality and Roger Federer The last allows the Swiss people to blissfully ignore the third when it comes to discussing where the superstar tennis player ranks in the sport s pantheon Federer has an enjoyed a playing career that is at the sunset of a second decade and his recent recovery from knee surgery and Renaissance to win the Australian Open in January 2017 shows that the Swiss maestro still has something left in his bag of tricks even at age 35 His 18 Grand Slam singles titles are the most of any player in the Open Era That number is more impressive considering that his career intersected the sport s history at a time where Rafael Nadal and Novak Djokovic tied for second

and fourth place in that category with 14 and 12 respectively These three players have had a stranglehold on major titles for nearly a generation winning the Australian Open French Open Wimbledon and the U S Open a combined 44 times dating to Federer s first Wimbledon crown in summer of 2003 But it is the elegant Federer who currently stands above the gritty Nadal and the jack of all surfaces Djokovic due in large part to his metronome like consistency at an elite level for more than a decade On the path to becoming arguably the greatest of all time in his sport Federer s rise was one seen in the distance starting with his play in juniors He had to mature from petulant teenager to talented and promising young player on the ATP Tour Federer then had to absorb match and life lessons from his peers to become a better player And since the summer following his first victory at the all England club Federer s place in tennis lore has come by way of reaction and evolution He has honed his already finely tuned all around game and enhanced it with strategy That often kept him one step ahead of the chasing pack though now in the autumn of his playing days it is helping him try to emerge from it Tags roger federer federer biography andy murray novak djokovic rafael nadal stan wawrinka serena williams wimbledon australian open tennis greats tennis legends tennis books tennis biographies pete sampras john mcenroe **Roger Federer** Chris Bowers,2016-05-05
