

ANECDOTE

DEFINITION

An anecdote is a short, interesting or amusing story about a real incident or person. It's typically recounted from personal experience and used to illustrate or support a point in a conversation, speech or written text. Anecdotes designed to effectively capture the listener or reader's attention.

EXAMPLES

- **Personal Anecdote:** "Last night, I accidentally locked myself out of the house and had to crawl through a window to get back in."
- **Historical Anecdote:** "When constructing London's iconic Big Ben in the mid-19th Century, the first bell cracked during testing, leading to a delay of four years."

Revolutionizing English Education Clarice M. Moran, 2024-04-30 Artificial Intelligence or AI has seemingly burst into public consciousness with sudden vigor Previously relinquished to computer science journals it erupted as the unrelenting topic of public media with most of the furor surrounding chatbots like ChatGPT Although many educators began worrying about the implications of AI in student learning and creative activity this book will demonstrate that AI can be harnessed as a source of inspiration and meaningful instruction With an emphasis on useful classroom strategies as well as a consideration of the ethics of AI this book seeks to start a conversation in this nascent area of research and practice The primary focus is on the use of AI in the secondary English classroom but educators in other disciplines will find plenty of ideas and information

Eccentric Propositions Jane Miller, 2018-10-03 Originally published in 1984 This book charts important changes brought about by teachers in the way literature is read and written about in schools Rooted in experiences of inner city schools it is extremely practical and especially valuable for the multi ethnic classroom The writers all of whom are experienced teachers of English believe however that all schools need to respond to the cultural racial and linguistic diversity of British society whether their own populations are homogeneous or mixed By concentrating on real classrooms real lessons and real children the book shows how particular ideas can be put into practice It approaches theories of reading and of literature through specific examples of lively and successful practice and argues the case for the centrality of literature and literacy to the curriculum The book includes lists of resources books to read with children and books for teachers to read for themselves to deepen their understanding of the ideas and their confidence in adapting them for their own classrooms Throughout the book continuities are emphasized between life and literature between reading and writing and between learning to read becoming better at it and studying literature

Children Talking Television David Buckingham, 2004-08-02 Is television harmful to children Does it destroy imagination provoke delinquency and violence undermine family life and have other detrimental effects on children The author himself a parent teacher and researcher investigates the complex ways in which children actively make meaning and take pleasure from television Chapters cover the popular debates about children and television from a general and academic perspective The characteristics of children's talk about television are explored as children interact with other children and other family members in family viewing sessions Key concepts which inform children's talk about television are investigated i.e. genre narrative character modality and agency Finally conclusions are presented and issues outlined for further research Drawing on theories and ideas developed within media and cultural studies English education psychology sociology linguistics and other related areas this book will be useful to both students and teachers in the field and to the general reader with an interest in children and the media

Kierkegaard and the Staging of Desire Carl S. Hughes, 2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard's writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes's argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard's authorship his surprising affinity for liturgy and sacrament and his overarching

effort to conjoin eros for God with this worldly love

Picturing the Wolf in Children's Literature Debra Mitts-Smith, 2012-12-06 From the villainous beast of Little Red Riding Hood and The Three Little Pigs to the nurturing wolves of Romulus and Remus and Rudyard Kipling's *The Jungle Book* the wolf has long been a part of the landscape of children's literature. Meanwhile since the 1960s and the popularization of scientific research on these animals children's books have begun to feature more nuanced views. In *Picturing the Wolf in Children's Literature* Mitts Smith analyzes visual images of the wolf in children's books published in Western Europe and North America from 1500 to the present. In particular she considers how wolves are depicted in and across particular works the values and attitudes that inform these depictions and how the concept of the wolf has changed over time. What she discovers is that illustrations and photos in works for children impart social cultural and scientific information not only about wolves but also about humans and human behavior. First encountered in childhood picture books act as a training ground where the young learn both how to decode the symbolic wolf across various contexts and how to make sense of real wolves. Mitts Smith studies sources including myths legends fables folk and fairy tales fractured tales fictional stories and nonfiction highlighting those instances in which images play a major role including illustrated anthologies chapbooks picture books and informational books. This book will be of interest to children's literature scholars as well as those interested in the figure of the wolf and how it has been informed over time.

My Ántonia (Norton Critical Editions) Willa Cather,2015-08-26 In the final volume in her prairie trilogy Willa Cather fully transforms memory into art to create her most autobiographical novel Set in the Nebraska landscape in a community evocative of Cather s own Red Cloud My Ántonia tells the story of Ántonia Shimerda a Bohemian immigrant and Jim Burden who like Cather was uprooted from Virginia to the Nebraska prairie Ántonia and Jim like many of the other characters in this 1918 novel are based on Cather s childhood friends

This Norton Critical Edition is based on the first published edition of the novel. It is accompanied by explanatory footnotes, key illustrations, an introduction that gives readers a historical overview of both author and novel, and a note on the text. Contexts and Backgrounds is a rich collection of materials organized around the novel's central themes: Autobiographical and Biographical Writings, Letters, and Americanization and Immigration. Willa Cather, Edith Lewis Latrobe, Carroll Rose C. Feld, Guy Reynolds Woodrow Wilson, Peter Roberts, Horace M. Kallen, Sarka B. Hrbkova, and Rose Rosicky among others are included. Criticism spans a century of scholarship on Willa Cather and *My Antonia* from contemporary reviews by Henry Walcott Boynton, H. L. Mencken, and Elia W. Peattie among others to recent critical assessments by Terence Martin, Blanche Gelfant, Jean Schwind, Richard H. Millington, Susan Rosowski, Mike Fischer, Janis Stout, Marilee Lindemann, and Linda Joyce Brown. A Chronology of Cather's life and work and a Selected Bibliography are also included.
