Hollywood and Africa Opio Dokotum, 2020-02-05 Hollywood and Africa recycling the Dark Continent myth from 1908 to 2020 is a study of over a century of stereotypical Hollywood film productions about Africa It argues that the myth of the Dark Continent continues to influence Western cultural productions about Africa as a cognitive based system of knowledge especially in history literature and film Hollywood and Africa identifies the colonial mastertext of the Dark Continent mythos by providing a historiographic genealogy and context for the terms development and consolidation An array of literary and paraliterary film adaptation theories are employed to analyse the deep genetic strands of HollywoodAfrica film adaptations The mutations of the Dark Continent mythos across time and space are then tracked through the classical neoclassical and new wave HollywoodAfrica phases in order to illustrate how Hollywood productions about Africa recycle revise reframe reinforce transpose interrogate and even critique these tropes of Darkest Africa while sustaining the colonial mastertext and rising cyberactivism against Hollywood's whitewashing of African history

A Question of Inequality Christopher Steed, 2018-07-30 Inequality is widening In the twenty first century the gap between those who have more and those who have less is growing 1 per cent of the world owns as much as the other 99 per cent Should we be worried Christopher Steed author of the acclaimed A Question of Worth argues that inequality does indeed matter that economic fairness is one of the defining issues of our time In a world conditioned by social media enabling intensified social comparison the anxieties and effects of contemporary inequality are a cause for huge concern Despite a wealth of research around inequality most studies have concentrated on its quantitative aspects In A Question of Inequality Christopher Steed is concerned with exploring why

inequality matters what it means for those who find themselves victims of it and what can be done about it He probes what it means to experience inequality drawing out case studies on the effects of poverty In proposing a theory of social relativity the author provides new insights into the effects and meaning of inequality and makes an original and important contribution to a key issue facing the world today
