, 1956 Seeking God in Science Bradley Monton, 2009-07-20 The doctrine of intelligent design is often the subject of
acrimonious debate Seeking God in Science cuts through the rhetoric that distorts the debates between religious and secular
camps Bradley Monton a philosopher of science and an atheist carefully considers the arguments for intelligent design and
argues that intelligent design deserves serious consideration as a scientific theory Monton also gives a lucid account of the
debate surrounding the inclusion of intelligent design in public schools and presents reason why students science education
could benefit from a careful consideration of the arguments for and against it
