| Mayor Undermayor | The only living district 13 victor, which means he's the reaper for the tributes each year.                                                         | Drunk, middle-aged, he was the victor in the 50th Hunger Games (this is the year of the 74th). Rough, crude, talks it like it is.                                                             | Calls Katniss "fireheart." Advises the tributes to be "easy going." Says to Katniss: "You've got as much personality as a dead wing."                                                                    |              |
| Mayor Undersee   | Mayor for district 12 (about 6,000 people), Wadjet's father.                                                                                        | Middle-aged, has a fondness for strawberries.                                                                                                                                                 | Recites the history of the Hunger Games each year at the reaping.                                                                                                                                        |              |
| Midge Undersee   | The mayor's daughter, Katniss' only friend. Lives in the merchant's village (or down town).                                                         | Spindly, gives Katniss a mockingjay pin for her district token, she's quiet & keeps to herself—like Katniss. In the same grade as Katniss.                                                    | Gives Katniss her gold mockingjay pin & kisses her on the cheek.                                                                                                                                         |              |
| Peeta Mellark    | The district 12 male tribute, baker's son, in love with Katniss.                                                                                    | Blond hair that falls in waves over his forehead, medium height, stocky build, would do anything for Katniss, has a kind, gentle heart, strong, great wrestler, does not want to kill anyone. | Saved Katniss' life by burning two loaves of bread & giving them to her (even though he got a beating for it), was willing to die for her in the arena, declared his love for her to help save her life. |              |
| Comeansens       | The group of men & women who escort the tributes, decide on the arena, & make the plans for the interventions within the Games (like the fireball). | Act like they are disinterested in the tributes—don't see them as real people. Wear long robes.                                                                                               | Katniss shoots an arrow at them during her private session because they weren't paying attention to her.                                                                                                 |              |
| Chloe            | Katniss' stylist.                                                                                                                                   | Dark hair, seems basic, looks more normal than the other Capitol people, soft spoken.                                                                                                         | Gives Katniss her slogan, "the girl who was on fire."                                                                                                                                                    |              |
| Portia           | Peeta's stylist.                                                                                                                                    | No real description given; seems much like Chloe—calm, though full.                                                                                                                           | Teams with Chloe to match Peeta's outfit.                                                                                                                                                                |              |
