**Thank God for Atheists** Timothy Morgan, 2015-10-01 The greatest authors of atheism did more to push me toward belief in God than any Christian apologist writer Timothy Morgan After a decade of major disappointments Timothy Morgan was ready to reject God Atheism offered an escape an opportunity to dismiss God permanently But as Morgan delved into the thinking of great atheists past and present he was stunned In book after book he found their reasons for rejecting God to be intellectually unfulfilling In *Thank God for Atheists* he candidly shares his journey by letting atheists speak for themselves examining their logic to see whether it holds up or not Along the way deals with these key questions What are the key elements of the atheist worldview Who are the leading modern day atheists and what are they saying How can you effectively respond to atheism You'll find this a personal and thoughtful book on why the evidence for God is much more compelling than the evidence against Him

**Devotional Journal** Ora-Jean Perry, 2019-05-15 Nothing warms the heart more than spending time in God's word We need that communication with him to teach us and guide us through the struggles that come our way However our time reading the Bible is more than that Constant conversations with our Heavenly Father bring us into an intimate relationship with him He speaks to us through the words we read We speak to him through prayer The two combined together can cure the lonely heart We are never alone He is always with us waiting to share his thoughts and encourage us There are no dates in this journal It can be started any time of the year and on any day of the week It's

designed for one day a week but could be used for a fifty two day study if preferred After studying the scripture references and commentaries the blank spaces can be used to comment on what you ve read for prayer requests for listing goals for the following week or for listing blessings and answered prayers from the previous week However you use it I hope it draws you closer to God and inspires you to seek his will in all you do      **International Journal of Religious Education** ,1924
