Hawkins, Jon Maksik, 1976 *Academic English Course Book* Robert Chalmers, 2011-06 Academic English is an EAP Course Book Syllabus including IELTS Practice sections. It combines a comprehensive syllabus and reliable teaching resources, work book exercises and complete resource lists making it the primary text for EAP teachers and students alike both as a study guide for students and a source book for teachers. This course book has been designed for the International Student wishing to study Academic English and seeking to achieve a level that will gain Direct Entry into a college or university of choice in a Western country like Australia, the United Kingdom or the United States of America. It is also designed for students who wish to bring their level of English up to an acceptable International Standard but not necessarily wishing to go overseas for further study. The lesson structure has been designed by a team of professional IELTS and Academic English teachers and is enhanced by a set of published resources readily available in most countries of the world.

The Complete Guide to the Theory and Practice of Materials Development for Language Learning Brian Tomlinson, Hitomi Masuhara, 2017-06-16 The Complete Guide to the Theory and Practice of Materials Development for Language Learning provides undergraduate and graduate level students in applied linguistics and TESOL researchers, materials developers and teachers with everything they need to know about the latest theory and practice of language learning materials development for all media. The past two decades have seen historic change in the field of language learning materials development. The four main drivers of that change include a shift in emphasis from materials for language teaching to language learning evidenced based development, the huge increase in digital delivery technologies and the wedding of materials developed for the learning of English with those for other second or foreign languages. Timely, authoritative and global in scope, this text represents the ideal resource for all those studying and working in the field of language learning.
