Disciplinary Literacy and Explicit Vocabulary Teaching: A whole school approach to closing the attainment gap Kathrine Mortimore,2020-12-15 Firmly rooted in research evidence of what works within the classroom for our most disadvantaged students Disciplinary Literacy and Explicit Vocabulary Teaching offers teachers and school leaders practical ways in which those students who are behind in their literacy capabilities can make excellent progress Building on the work of Geoff Barton in his influential book Don t Call it Literacy Kathrine Mortimore outlines the unique literacy challenges posed by specific subject areas for those with weaker literacy skills and more importantly how these challenges can be addressed and overcome A student s GCSE results are vital in giving them the choices they deserve in order to go on to the next stage of their academic careers This book draws on the success stories of schools and subjects that have made significant improvements in the outcomes of the children they teach regardless of their starting points From the inevitable success of Michaela Community school to the gains made by the English department at Torquay Academy and the rapid reading improvements at Henley Bank this book draws on both whole school initiatives and subject specific strategies which have had proven success This book places a wide and balanced knowledge rich curriculum at the centre of any school improvement strategy designed to improve literacy and illustrates the role that all subjects must combine to play in building the vital background knowledge and vocabulary that young people need in order to read independently This curriculum must then be delivered using those teaching methods that have had the

greatest impact on disadvantaged learners and this book sets out how the methodology of direct and explicit instruction can be adopted within each subject area. Alongside this is a useful summary of staff development and inset which offers practical ways in which teachers' adoption of these effective strategies can be facilitated. There are also useful sections on creating a whole school dictionary of essential vocabulary, creating a culture of reading and writing, and also those key literacy barriers experienced by those students with some of the most common special educational needs. **NET JRF English Solved Question bank based on Previous Papers With Instant Answer Key** Mocktime Publication, NET JRF English Solved Question bank based on Previous Papers With Instant Answer Key Nta Net jrf English previous year solved question papers Ugc Net jrf paper 1 teaching and research methodology net paper 1 by kvs madaan upkar truemans arihant cbse net paper 1 practice set in hindi ugc net english exam guide **Lord of the Flies (MAXnotes Literature Guides)** Walter Freeman, 2013-01-01 REA's MAXnotes for William Golding's Lord of the Flies MAXnotes offer a fresh look at masterpieces of literature presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed and has study questions and answers. **In the Best Interest of Students** Kelly Gallagher, 2023-10-10 In his new book In the Best Interest of Students: Staying True to What Works in the ELA Classroom, teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well. He takes the long view, reminding us that standards come and go, but good teaching remains grounded in proven practices that sharpen students' literacy skills. Instead of blindly adhering to the latest standards movement, Gallagher suggests increasing the amount of reading and writing students are doing while giving students more choice around those activities. Balancing rigorous, high-quality literature and non-fiction works with student-selected titles, encouraging readers to deepen their comprehension by moving beyond the four corners of the text, planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genres, using modeling to enrich students' writing skills in the prewriting, drafting, and revision stages, resisting the de-emphasis of narrative and imaginative reading and writing. Amid the frenzy of trying to teach to a new set of standards, Kelly Gallagher is a strong voice of reason, reminding us that instruction should be anchored around one guiding question: What is in the best interest of our students? **Interactive Learning Experiences, Grades 6-12** David Smokler, 2008-09-02 This book will excite teachers who want to motivate today's secondary students. Information about the brain, presented along with the author's personal teaching experiences, tips, and creative game ideas, makes for a very worthwhile read.
