**The Enthusiasts' Guide to Buying a Classic British Sports Car** Peter Hingston, 2007      **Lotus Esprit** Johnny Tipler, 2023-11-10 As Lotus's flagship model for almost three decades the Esprit was launched in 1976 and remained in production for over a quarter of a century. It received regular refreshment along the way principally to its original Giorgetto Giugiaro design and from 1987 to its later Peter Stevens incarnation. Both iterations enabled the Esprit to maintain its position at the forefront of its market segment. Regularly compared to the best available from its German and Italian rivals the Esprit was equally at home on the race track as it was on the road. A promising return to top line international GT racing saw the Esprit compete on equal terms with the likes of Ferrari and McLaren whilst back in the showrooms the car was selling for a fraction of their cost. The legacy of the Esprit can clearly be seen in current Lotus models whose core design brief is that they should always be the finest handling vehicle with the deftest of steering feedback and feel. With over 300 stunning images including professional photos, factory archive pictures and specially commissioned artworks and featuring several interviews with Lotus personnel intimately concerned with Esprit production this volume is a fitting tribute to a masterpiece of design and technology.

**Lotus Elite, Eclat and Excel** Matthew Vale, 2016-02-29 Lotus introduced the Type 75 Elite in 1974. Being a full four seater coupe with an opening glass tailgate it was designed to carry a family in comfort while retaining Lotus trademark excellent road holding and handling. Perhaps most importantly it was the first and successful step in Colin Chapman's plan to move upmarket and away from Lotus kit car image. The Elite gave rise to two derivatives the Eclat and the Excel. The Eclat was a restyled coupe version sacrificing the Elite's unique rear styling and good rear passenger headroom for a more stylish exterior. With its conventional coupe styling the Eclat was more mainstream than the Elite and it was in the end the better seller. In turn the Eclat spawned the Excel the last of the Elite inspired family. Matthew Vale looks at the history of these unusual Lotus models and gives a thorough guide to buying and owning the cars today.
