Ava

I'D DONE THE IMPOSSIBLE: I'D CONVINCED ALEX TO GO apple picking.

I *might* have cheated and tricked him into agreeing during sex—he was far more accommodating after an orgasm—but to be fair, I was sure he didn't hate the countryside and fall activities as much as he proclaimed.

Case in point: we'd been apple picking for hours, and he hadn't once complained. He hadn't gushed about it either, but it was Alex. He didn't gush about anything. The fact that he hadn't killed anyone was proof enough he was enjoying himself.

"A little to the left...a little more...perfect!" I plucked the apple I'd been eyeing off the tree and dropped it into my basket. Since it was too high for me to reach, Alex had hoisted me onto his shoulders and let me use him as my personal ladder. "I think that's the last one."

"Good." He lowered me onto the ground, his tone dry. "Any more and you would've picked all the trees bare."

I let out a small huff. "You're exaggerating."

We stared down at my overflowing basket. It was my fifth one that day.

**On Love** Stendhal,2022-11-13 Stendhal s On Love is a profound exploration of the multifaceted nature of love merging philosophical inquiry with personal introspection Written in a distinctive style that oscillates between lyrical prose and analytical commentary the book draws on Stendhal s own experiences and observations positioning love as a complex interplay of emotions desires and societal influences Rooted in the romantic literary context of the early 19th century Stendhal employs a candid tone that dismantles the idealized notions of love offering instead a more pragmatic understanding that encompasses both its ecstatic highs and painful lows The author born Henri Beyle was a keen observer of

the human condition having experienced life across various cultures and social strata His time in Italy coupled with the tumult of the Napoleonic Wars informed his perspectives on passion and emotion Stendhal s intellectual pursuits notably in psychology and philosophy allowed him to dissect love with an analytical lens bridging the gap between romantic idealism and reality On Love is an essential read for anyone intrigued by the complexities of human relationships Stendhal s insights not only resonate with the experiences of love across ages but also invite readers to reflect on their beliefs and encounters with this timeless emotion
