Loves and Lunacies Doris Vallejo, 2016-03-22 Loves and Lunacies a surreal memoir is a fascinating charismatic cross between Erica Jong and Kafka Doris Vallejo not only provides joy and wisdom she's invented her own sexy genre Susan Shapiro author of the memoir Five Men Who Broke My Heart Outstanding Maya Vallejos fanciful humorous imagery exhibits a mature sophistication that transcends the usual visions most young photographers have when approaching a parent I'm not sure where Mayas work is headed in the future but there will be a future for it Of that I am sure Ken Marcus photographer for Playboy and Muscle Fitness specializing in fine art and erotic photography I like a writer who loses her head in the right way giving voice to her darker deeper impulses Doris Vallejo not only does that she writes in one of her memorable tales about literally losing her head an event that But why should I spoil your fun Read the book Gerald Jonas book reviewer for The New York Times Praise For Former Work I am overwhelmed by Doris Vallejos Windsound There is a depth and a degree of tenderness in this remarkable novel a depth and a degree of sensitivity that I all my life an ardent feminist find most mysterious and most wonderful about women Theodore Sturgeon

Time Loves a Hero Allen Steele, 2015-05-19 Earth's past and future are altered by twenty fourth century time travelers in this significant work of science fiction from the author of Arkwright Rocky Mountain News Chrononaut Franc Lu has come a long long way from the twenty fourth century in fact to be in New Jersey on the evening of May 6 1937 Traveling four hundred years into the past he and his partner have been sent by the Chronospace Research Centre to observe the infamous explosion of the zeppelin Hindenburg But when the German airship touches down safely on the airfield in Lakehurst Lu realizes that something has gone terribly wrong or rather horribly right His presence at the landing has set in motion an alternate historical timeline and now everything will be different though not necessarily in a good way The consequences of Lu's mistake could prove catastrophic for every living soul on Earth now and forever unless the past and the future are somehow repaired and that is a burden destined to fall on the shoulders of visionary NASA scientist and wannabe science fiction author Dr David Zachary Murphy An expansion of his Hugo Award winning novella Where Angels Fear to Tread Allen Steele's Time Loves a Hero is at once thrilling surprising startling and thoughtful a mind blowing masterwork of speculative fiction that radically reimagines time travel alien contact alternate history and a host of other well worn science fiction tropes
