**Return to Me: The Unconditional Love Story of Hosea** Reba Bowman, 2012 When God does his work in the heart and life of a person his intent is radical change Jesus did not die on the cross so that we could be improved versions of our old selves Instead he came to give us a new heart and a new life Do you see yourself in need of radical change From the first chapter of Hosea we are drawn into an amazing love story unlike any other in Scripture With every twist and turn God s love is revealed as unconditional faithful and true This in depth study of Hosea looks closely at the unusual story of Hosea and Gomer and reveals the truths God wants his chosen people to understand From the pagan groves to the back alleys you will marvel as God seeks call and longs for the return of the one he loves The narrative of Hosea and its depiction of Israel is far from being just an ancient love story The themes of redemption reconciliation and revival are as relevant today as they were in the times of Hosea This eleven week study includes a weekly lesson and daily assignments It is formatted to be used in a group setting or individually

*Conjugal Love: Our Path of Return* Clayten Tylor, 2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to the neighbor To receive conjugal love requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal

Arundale,2017-01-12 WITHIN the pages of this book are contained the outstanding addresses given by Dr George S Arundale during the 1932 sessions of Wheaton Institute Summer School and Convention of The American Theosophical Society Discipleship glorious and inspiring is the golden motif which runs like a stirring song through every talk to its triumphant climax in the address Mount Everest This mightiest peak towering symbol of the grandeur of the heights attainable by man s own divinity rightly represents the goal of our aspiration as also the difficulties and obstacles to be surmounted on the way of ascent It is a vivid and heroic drama which is given by Dr Arundale with all the dynamic power so splendidly at his command but a drama which challenges the aspirant to responsibility of leadership in the world s thought and activity and imposes the obligation of joyous and selfless service Great is the world s need during the period of transition through which it is passing and Dr Arundale makes it abundantly clear that the goal of each man s Mount Everest may be attained only as he turns outward to his fellows in wise and strong helpfulness There can be no greater glory than to leave the lower self behind in the selfless service of others and on entering the temple of one s own Godhood to find the door opening into the world of the Great Ones Who have attained Mount Everest **Total Surrender** Matthew Terrill,2014-04-28 Why is it such a struggle for us to surrender everything to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can walk through this dark unfair world shining and burning brightly for Jesus Wanting control over our lives is the struggle that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but few actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus *Works of Love* Robert L. Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be

excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded
