This includes coverage of Hyundai Kia's foreign plants in North America, Europe, India, China and Emerging Asia. Friday rush hour, Auckland city. A lone shooter fires across a packed street and kills a man. Detective Sergeant Sean Devereaux is assigned the case. He's not complaining; his Friday nights are seldom better spent. But the inquiry is not straightforward. Witness accounts are conflicting. The dead man appears to be an unintended victim with the true target unknown. That's the least of Devereaux's worries though. His current case load includes an investigation into the deaths of the wife and daughter of a wealthy finance company director. His examination has revealed the situation is far more complex than anticipated, casting real doubt upon the division of innocence and guilt. Devereaux's former colleague John Hale is in no position to help. Hale is occupied with his own pursuit of darkness, made all the more sinister by a dogged senior police officer determined to engineer his ruin. Together, the two men hunt for the truth from those who pursue self-gain by any means. **Kenya Gazette**, 1995-05-05. Growing up spitting distance from the crashing and churning Pacific Ocean, Eddie Hall finds he has quite the talent for spotting agates. As his love for combing his favorite beaches grows, his eye and knowledge of nature sharpen. Despite his love for the shore, he feels a pull to find his course through life. As with most, it is a question of taking the lead or getting pushed from behind. Eddie is truly not

sure where he wants to lead himself But through luck and hard work he finds his way as a surveyor and meets the woman of his dreams The two deeply committed to each other join a common path that leads across the United States and through Europe and Africa But as Eddie digs deeper into work he finds himself entangled in dilemmas that his mind may try to ignore but that his heart can never forget The more levels of corporate corruption Eddie uncovers the more he realizes he must fight to make a difference With the help of those close to him Eddie uses his keen agate hunting eyes to scan for any clues he can find to help bring the truth to the surface *Focus On: 100 Most Popular Station Wagons* Wikipedia contributors,
