unique driving experience Until you ve tried one it s hard to imagine how smooth its free revving engine really is or how  
enjoyable its handling With comfortable space for four it can be practical too Like most Japanese cars the RX 8 is generally  
well built but the rotary engine can suffer from hot starting and rotor tip wear issues which can prove expensive to put right  
Extensive back up from owner forums and independent specialists listed in the guide mean that these problems can be  
addressed but choosing a good RX 8 requires care This guide will help you do just that Understand the differences between  
models and learn what to look for when buying one What are the true running costs and does the need for a new engine  
mean the end to your dreams What other issues with the mechanicals body or interior should you look out for Follow the
