Get Through MRCOG Part 2: MCQs Paul Ayuk, 2024-11-01 Get Through MRCOG Part 2 MCQs covers the breadth and depth of the MRCOG Part 2 examination syllabus and is an essential revision tool for candidates preparing for this examination. The comprehensive and wide collection of practice questions is designed to help the candidate test and assess their knowledge of the subject, aiding them in thorough preparation for the exam. The text contains 750 multiple choice stems, each with around four associated questions, providing the reader with a total of 3000 individual questions with which to test themselves. The material is divided up by subject area, allowing candidates to test their knowledge on a particular topic. The 13 modules are followed by two mock papers, each containing a selection of questions on different subject areas which the reader can attempt under timed conditions. Answers are provided with useful explanatory information for all questions to help the reader understand why their answer is right or wrong. The author Paul Ayuk was a clinical lecturer in obstetrics and gynaecology at Oxford University for 6 years and has run an online MRCOG course for over 5 years, assisting over 8000 candidates worldwide. *MCQs in Obstetrics and Gynaecology* John Studd, D.
