

Escape From Megiddo

Mack Maloney

Escape From Megiddo:

Battle at Zero Point Mack Maloney, 2015-03-06 The year is 7202 A D Evolving from genetic manipulation and virtually immortal the Specials wielded their repressive power over a far flung empire for nearly two thousand years Until one man a man of mystery a gifted military strategist a superb pilot a charismatic leader dared to raise the flag of rebellion That man is Hawk Hunter In the middle of a fierce battle with the Imperial forces Hunter suddenly finds himself alone His badly damaged fleet has vanished gone through a portal to another dimension They can lay low rest make repairs and gain strength for their next assault But the enemy also finds the portal and it leads them to a different dimension where they discover powerful and deadly new allies Now Hunter must undertake his own Interdimensional search for support Because when the portal reopens the battle that follows could destroy not only the rebels and the Empire but also the entire galaxy **Megiddo's Ridge S.**

Fowler Wright, 2009-04-01 In 1938 the Nazis launch a sudden attack on Czechoslovakia which they quickly subdue and also on England which proves to be a much harder morsel to digest As the allies from the West gather their forces in Palestine for a final climactic battle at Megiddo's Ridge British spy Richard Steele who has infiltrated the highest levels of the German command uncovers a great secret But revealing it could cost him his position and his life The third book in an Alternate History of World War II Warfare in the Ancient World Stefan G. Chrissanthos, 2008-10-30 From the clash of bronze weapons on bronze armor to the fall of Rome war often decided the course of ancient history This volume is a practical introduction to the study of warfare in the ancient world beginning with Egypt and Mesopotamia and tracing the advances made in battle tactics technology and government over hundreds of years culminating with developments in Greece and the Roman Empire The chronological structure allows the reader to trace certain general themes down through the centuries how various civilizations waged war who served in the various armies and why who the generals and officers were who made the decisions in the field what type of government controlled these armies and from what type of society they sprang Major events and important individuals are discussed in their historical contexts providing a complete understanding of underlying causes and enabling readers to follow the evolution of ancient warfare as armies and empires became steadily larger and more sophisticated Yet as Chrissanthos makes clear history comes full circle during this period Rome's collapse in 476 C E inaugurated an unforeseen dark age in which great armies were left decimated despite advanced technology that while proving decisive in the outcome of many critical battles and stand offs had vanished amidst the Empire's crumbling walls In addition to the chronological treatment Chrissanthos also includes sections on such important topics as chariot warfare cavalry naval warfare elephants in battle the face of battle and such vital but often overlooked topics as the provisioning of the army with sufficient food and water Eyewitness accounts are incorporated throughout each chapter allowing the reader brief glimpses into the life and times of peasants and soldiers generals and politicians all of whom were dealing with war and its irreconcilable consequences from differing vantage points Battle diagrams and maps are carefully placed throughout the

text to help the reader visualize particular aspects of ancient warfare The book also furnishes a detailed timeline and an extensive bibliography containing both modern and ancient sources

Notes on II. Kings James Davies (of Sandringham School, Southport.),1873

A History of the British Cavalry Lord Anglesey,1994-04-25 Volume V covers the last glory days of cavalry in World War I s Middle Eastern theater as British Indian Australian and New Zealand cavalry conducted some of the most brilliant mounted operations of all time

Notes on i. (ii.) Kings James Davies (of Southport.),1873

The Oxford History of the Ancient Near East Karen Radner,Nadine Moeller,Daniel T. Potts,2022 The Oxford History of Ancient Near East Volume 3 covers broadly the period from 1600 to 1100 BC or in archaeological terms the Late Bronze Age Twelve chapters present the history of the Near East from the Hyksos state of Lower Egypt to the to the Elamites in southwestern Iran examining the Hittites in Central Anatolia the kingdom of Mittani in Northern Mesopotamia the Kassites in southern Iraq and the Mycenaeans in the Aegean

The Presbyterian Quarterly ,1891

From Senenmut and Yahmose to the First Exodus E. William Petter,2022-07-29 When Senenmut answers the summons to interview for the tutor for the Egyptian queen s daughter he sees an opportunity to make a name for himself and earn titles and importance He succeeds beyond his wildest dreams becoming second in importance to the pharaoh However his very success causes failure and he suffers a fate worse than death His son Yahmose also succeeds to second in importance but has to leave Egypt resulting in the First Exodus Then he must return

Ordo Sæclorum Henry Browne,1844

Christianity: An Ancient Egyptian Religion Ahmed Osman,2005-04-19

Contends that the roots of Christian belief come not from Judaea but from Egypt Shows that the Romans fabricated their own version of Christianity and burned the Alexandrian library as a way of maintaining political power Builds on the arguments of the author s previous books The Hebrew Pharaohs of Egypt Moses and Akhenaten and Jesus in the House of the Pharaohs In Christianity An Ancient Egyptian Religion author Ahmed Osman contends that the roots of Christian belief spring not from Judaea but from Egypt He compares the chronology of the Old Testament and its factual content with ancient Egyptian records to show that the major characters of the Hebrew scriptures including Solomon David Moses and Joshua are based on Egyptian historical figures He further suggests that not only were these personalities and the stories associated with them cultivated on the banks of the Nile but the major tenets of Christian belief the One God the Trinity the hierarchy of heaven life after death and the virgin birth are all Egyptian in origin He likewise provides a convincing argument that Jesus himself came out of Egypt With the help of modern archaeological findings Osman shows that Christianity survived as an Egyptian mystery cult until the fourth century A D when the Romans embarked on a mission of suppression and persecution In A D 391 the Roman appointed Bishop Theophilus led a mob into the Serapeum quarter of Alexandria and burned the Alexandrian library destroying all records of the true Egyptian roots of Christianity The Romans version of Christianity manufactured to maintain political power claimed that Christianity originated in Judaea In Christianity An Ancient Egyptian Religion Osman restores Egypt to its rightful place in the history of Christianity

...and they shall not

escape Gail B. Lee,2021-08-05 Since sin entered into the world the earth has been slowly dying This should not be surprising our bodies are made up of the same material of the earth and they are subject to death There will be major cataclysmic events in the near future that will drastically change the surface of this planet Mountains will be split in half and separate huge valleys formed the eco system of this planet greatly degraded There will be intense heat supersized hailstones violent earthquakes and millions of acres burned Man will be in survival mode Will you survive Will you escape *Ancient History pamphlets* ,1923

Brotherhood of Kings Amanda H. Podany,2010-07-09 Amanda Podany here takes readers on a vivid tour through a thousand years of ancient Near Eastern history from 2300 to 1300 BCE paying particular attention to the lively interactions that took place between the great kings of the day Allowing them to speak in their own words Podany reveals how these leaders and their ambassadors devised a remarkably sophisticated system of diplomacy and trade What the kings forged as they saw it was a relationship of friends brothers across hundreds of miles Over centuries they worked out ways for their ambassadors to travel safely to one another s capitals they created formal rules of interaction and ways to work out disagreements they agreed to treaties and abided by them and their efforts had paid off with the exchange of luxury goods that each country wanted from the other Tied to one another through peace treaties and powerful obligations they were also often bound together as in laws as a result of marrying one another s daughters These rulers had almost never met one another in person but they felt a strong connection a real brotherhood which gradually made wars between them less common Indeed any one of the great powers of the time could have tried to take over the others through warfare but diplomacy usually prevailed and provided a respite from bloodshed Instead of fighting the kings learned from one another and cooperated in peace A remarkable account of a pivotal moment in world history the establishment of international diplomacy thousands of years before the United Nations Brotherhood of Kings offers a vibrantly written history of the region often known as the cradle of civilization

[The Egyptian Origins of King David and the Temple of Solomon](#) Ahmed Osman,2019-02-05 An investigation into the real historical figure of King David and the real location of the Temple of Solomon Identifies King David as Pharaoh Tuthmosis III of the 18th Dynasty and David s son Solomon as Pharaoh Amenhotep Tuthmosis s successor Shows how the Temple of Solomon described in the Bible corresponds with the Mortuary Temple of Luxor in Egypt Explains how David was not a descendant of Isaac but his father and how biblical narrators changed the original story of Abraham and Isaac to hide his Egyptian identity During the last two centuries thousands of ancient documents from different sites in the Middle East have been uncovered However no archaeological discovery speaks of King David or Solomon his son and successor directly or indirectly Was King David a real person or a legend like King Arthur Proposing that David was a genuine historical figure Ahmed Osman explores how his identity may be radically different than what is described in religious texts Drawing on recent archaeological historical and biblical evidence from Egypt Osman shows that David lived in Thebes Egypt rather than Jerusalem that he lived five centuries earlier than previously thought

during the 15th rather than the 10th century B C and that David was not a descendant of Isaac but was in fact Isaac's father. The author also reveals David's true Egyptian identity Pharaoh Tuthmosis III of the 18th Dynasty. Confirming evidence from rabbinic literature that indicates Isaac was not Abraham's son despite the version provided in Genesis. Osman demonstrates how biblical narrators replaced David with Abraham the Hebrew to hide the Egyptian identity of Isaac's father. He shows how Egyptian historical and archaeological sources depict figures that match David's and Solomon's known characteristics in many ways including accounts of a great empire between the Euphrates and the Nile that corresponds with David's empire as described in the Bible. Extending his research further the author shows that King Solomon King David's son corresponds in reality to Pharaoh Amenhotep successor of Tuthmosis III the pharaoh who stands out in the dynastic history of Egypt not only for his peaceful reign but also as the builder of the Temple of Luxor and the famed Mortuary Temple at Luxor which matches the biblical descriptions of Solomon's Temple. Unveiling the real history behind the biblical story of King David. Osman reveals that the great ancestor of the Israelites was in fact Egyptian. *Megiddo's Shadow* Bruce Canoles, 2024-10-02

Representative John Carleno R NY is the only Roman Catholic priest ever elected to the US Congress. When the Congressman launches a bid for the US presidency veteran Newslink reporter Ted Logan is assigned to cover the Carleno campaign. Logan begins an investigative odyssey that spans several years and winds through a worldwide web of secret power brokers and apocalyptic speculation. In the minds of many the prophesized Antichrist has emerged and will thrust the world into the final great battle in the plain of Megiddo. 88

The Artistic Dimension Keith Bodner, 2013-08-29 This volume presents a collection of essays aimed at further integration of literary analysis in the study of the Hebrew Bible. In three sections Bodner studies a range of texts in order to illustrate that literary analysis has value for exploring numerous issues in the discipline including text critical problems the Deuteronomistic History and Chronicles. Beginning with a discussion of how literary analysis is a vital yet neglected component of textual criticism Bodner then offers a sustained engagement with one particular section of the Hebrew Bible the so called ark narrative of 1 Samuel 4-6. Other areas of the Hebrew Bible are subsequently explored including a sample of the historiographic material in the Deuteronomistic History and a lengthy text from the book of Proverbs. Part four turns to the often neglected books of 1-2 Chronicles illustrating how the Chronicler's work is a congenial site for literary study. The assembled essays petition for a heightened awareness of the artistic achievement of the Hebrew Bible and illustrate that literary thinking is a necessary component for biblical interpretation.

The Old Testament Arranged In Historical And Chronological Order Goerge Townsend, 2024-11-15 Reprint of the original first published in 1836. *The New Reality* Stephen Martino, 2014-05-15 Author Stephen Martino delivers an action packed medical thriller in a heart stopping race to save humanity. In the year 2080 a deadly retrovirus is inadvertently released upon the planet. Facing financial ruin and catastrophic loss of life the world's nations turn to acclaimed neuroscientist Alex Pella and NIH expert Marissa Ambrosia. Assembling a team of experts the scientists begin an international search for the cure.

while fighting off a foreign elite military unit sent to stop them at all costs Guided by a code concealed within the Hebrew text of the Old Testament the scientists must traverse ancient lands and solve a biblical riddle in their quest to save humanity from its eminent destruction Drawing from both our nation s politically charged environment and the worldwide economic crisis The New Reality follows Alex Pella on a journey that projects a frightening path for human existence in the twenty first century

The Alex Pella Novels Boxed Set Stephen Martino,2018-02-12 Alex Pella the acclaimed neuroscientist is in a heart stopping race to save humanity The action packed stories The New Reality The Hidden Reality and The Final Reality draw from both our nation s politically charged environment and the worldwide economic crisis which project a frightening path for human existence in the twenty first century The New Reality In the year 2080 a deadly retrovirus is inadvertently released upon the planet Facing financial ruin and catastrophic loss of life the world s nations turn to acclaimed neuroscientist Alex Pella and NIH expert Marissa Ambrosia Assembling a team of experts the scientists begin an international search for the cure while fighting off a foreign elite military unit sent to stop them at all costs Guided by a code concealed within the Hebrew text of the Old Testament the scientists must traverse ancient lands and solve a biblical riddle in their quest to save humanity from its eminent destruction The Hidden Reality The brilliant doctor and inventor Alex Pella finds himself caught in a deadly power struggle between the tyrant who rules and the one who would As he sets out on a mission to unravel the New World Order he must also face the hidden truths about his own genetic heritage truths that are slowly destroying him When he receives an ambiguous message sent from a man long since dead Alex learns that the only way to win his battle against The New Reality is to defeat a long forgotten enemy nearly 2 500 years old The Final Reality In the high octane conclusion of the Alex Pella novels the brilliant doctor and inventor finds himself racing against the unstoppable ambition of Jules Windsor who now leads The New Reality When Jules begins to uncover the powerful long forgotten technology behind the world s massive megalithic structures he sets into motion the same cascade of events that once destroyed the ancient civilization that built them As the planet heads toward an apocalyptic upheaval not seen since biblical times Alex and his team know they must stop Jules and The New Reality once and for all
