Fate And Fury The Grey Wolves 6 Quinn Loftis:

Fate And Fury Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacques Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness deep inside, Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces. [The Grey Wolves Series Books 4-6](#) Quinn Loftis, 2019-10-28 Darkness has descended on the Transylvanian Alps. The Grey Wolves Series continues as the pack recovers from betrayal by one of their own, an Alpha hell bent on becoming the most powerful Canis lupus on earth. And though the wolf's assassination attempt on Vasile, the leader of the Romanian greys, failed, he's left destruction, death, and a missing mate behind him. The rogue Alpha fled, but he's left a surprise for the Romanian pack: a witch intent on destroying the Romanian grey wolves. A devastating curse threatens to cripple Decebel and could dissolve his fragile bond with his mate, Jennifer. Meanwhile, injured and alone, Jen has been fighting for her life. She has come to terms with her fate, accepting she will not share a life with Decebel until help comes in the most unexpected form, but will it be in time? The Romanian pack will have to use all its resources, including Sally, the pack's new gypsy healer, to find a way to destroy the witch, lift the curse, and solve a mystery that's surrounded the wolves for 300 years. Beyond the Veil Quinn Loftis, 2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha the war is far from over Desdemona a witch of unfathomable power has escaped the wolves wrath but she will not go quietly into the night She takes refuge in a place where even the smallest sliver of light does not dare to enter Though she had to flee she has not given up on the treasure she wishes to acquire Her depravity knows no bounds she s even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia with good reason the danger is incalculable Meanwhile there are major changes rippling through the Romanian Grey wolves Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupis species Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides But the winds of change are blowing changes that will alter the future of not only the Canis lupis but of another ancient race as well Amidst all of this Sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the Romanian pack If all that weren t enough the Fates have decided to pay a little visit to Jen It s time to collect She cheated the Fates of a life her life Now they want what they are due The problem It s more than Jen is willing to pay Yes the war is indeed far from over Bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

The Grey Wolves Novella Collection Quinn Loftis, 2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and

Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacque's butt is getting wider by the minute Jacque doesn't know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally's mind She's broken and no one can fix her not her friends try as they might and not her beautiful mate She'd thought when Costin had rescued her from Jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she'd done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger Prince of Wolves Quinn

Loftis,2011-06-29 Jacque Pierce was an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring TX when a mysterious foreign exchange student from Romania moves in across the street Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting From the moment Jacque sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn too is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Just as Fane and Jacque are getting to know each other another wolf steps out to try and claim Jacque as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them *The Hybrid*

Rule Quinn Loftis,2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition **Piercing**

Silence Quinn Loftis,2015-06-12 It's been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn't complaining about that she spends her time commenting on how Jacque's butt is getting wider by the minute Jacque doesn't

know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacque can't stand to see him hurting She can't stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She'll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn't need Others will call it insane Jen will add her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won't even remember her name

Reign of Blood Quinn Loftis, 2022-12-27 Because I created you for such a time as this The Great Luna's words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna's warriors have faced depraved adversaries and each time they've risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has

other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die *Tears of the Moon* Quinn Loftis,2018-12-07 A talented songwriter Shawn Gallagher spends his days lost in reverie and wonder oblivious to the wiles of women and the ways of the world He claims that he is content with his life but his music tells a different story one of loneliness and desperate longing No one understands why Shawn doesn't put his musical gift to profitable use least of all Brenna O Toole a fiercely independent tomboy who has been secretly in love with him for years But it is only when Shawn gives in to the mysteries of magic that he gets the chance to fulfill his destiny as a man and a musician as the song in his head keeps time with the beating of a woman's heart *Den Of Sorrows* Quinn Loftis,2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace One of their own Sally Miklos the young and powerful gypsy healer aids Perizada in her quest to defeat Volcan a long forgotten nightmare returned to our world These two packs watch as their brothers across the world wolves from Spain Ireland and America join their own forces in the battle against the evil dark fae At the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers While Jacque and Jen miss Sally their longtime best friend they have bided their time dealing with their own domestic issues Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant Both girls are eagerly awaiting Sally's return and have Perizada's word that she will be back in time for the birth of Jacque's baby Vasile and Alina the Alpha pair of the Romanian pack are enjoying this time of peace But Vasile did not become the most powerful Alpha in centuries by being a fool He has lived long enough to know that there is always another battle on the horizon As long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves But the battle he is anticipating is bigger than he could have ever imagined As Perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent The high fae has declared war and she expects Vasile and his wolves to be the ones to carry out the attack The Alpha is more than happy to oblige But with his first grandchild on the way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm's way Such is the job of the Alpha protector and provider He and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world It will be their job to destroy the creatures that threaten to expose them all And if they fail the world as they know it both human and supernatural will never be the same
