Directions for Answering the Reading Sample Questions

The questions in this booklet are called multiple-choice questions. A multiple-choice question is followed by several answer choices. Read all the answer choices under each question and decide which answer is correct. You will fill in the bubble next to the answer choice you think is correct for each multiple-choice question. You will mark your answers in this book. If you don't understand a question, ask your teacher to explain it to you. Your teacher has the answers to the sample questions.
