Big Lessons from Little Airplanes Tex Newman,2021-08-11 Whether piloting a plane and enjoying the panorama below or watching a model you built soar into the blue among the clouds above flying is always an adventure Tex Newman looks back at his love affair with airplanes in this book starting as a boy growing up in West Texas during and after World War II After the war was won the military began to get rid of the old fighters and bombers that had fought so valiantly The author s hometown airport was a refueling place for these old veterans as they made their way from the East Coast to the graveyards out in the Arizona desert While the pilots were gone the old planes would sit and wait patiently for the author and his friends to crawl through them But when the author lost his eye as a boy all hopes of being a fighter pilot were lost and he was in danger of becoming depressed With the help of the Lord however he pressed on and even became a pilot later in life Join the author as he celebrates his faith his blessings and his love of flying in Big Lessons from Little Airplanes

Everyday Prayers for the School Year Tara L. Cole, 2022-08-02 Moms know all too well that God doesn't promise an easy road for us or our kids As much as we'd love to protect them from heartaches it just isn't possible This is especially true during the school year when they are introduced to new teachers new classmates new concepts and maybe even a new school that seems big and frightening Jesus tells us In the world you will have tribulation But take heart I have overcome the world John 16:33 With this reassurance we try to reassure our children that no matter what God is there and He's on their side And we pray In Everyday Prayers for the School Year author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children such as Are they making godly friends Are their teachers kind and caring Can they make wise choices in bad situations Will they commit to studying Are they being targeted by bullies If they are unprepared for a test will they trust God or cheat No matter what our kids are facing during the school year we can't go wrong when we pray and teach them to pray too Our prayer is that they ultimately trust Him for their salvation but even after they become Christians they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible Tara says My hope for this journal is that it will help moms turn their worry about their children's school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do And He is in control
