## February Calendar Girl English Edition:

**February** Audrey Carlan, 2015-08-03 Mia's whirlwind journey is a refreshing mix of adventure, soul searching and steaming hot physical intensity that packs an emotional punch. Meredith Wild, 1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding ass kicking concert t-shirt wearing chick from Las Vegas is a world renowned French artist's muse. For a month I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. Love on Canvas he calls his exhibit a combination of photographic stills and paint entwined to create the most awe inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities teaching me lessons about love and life that would stay with me through the rest of my days. Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan shark who happens to be Mia's ex boyfriend. For this journey she serves as a high priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

**Nickelodeon**, 1918 **Calendar Girl** Tricia Stewart, 2003-11-25 The incredible true story of a small English village determined to raise money for cancer research and the risqué calendar that became a global sensation. It was a crazy idea and good for a laugh when Tricia Stewart proposed a more risqué treatment for her local Women's Institute's annual calendar which normally featured tranquil scenes from nature. Laughing alongside her was John Baker, the husband of the soon-to-be Miss February, Angela. When John passed away from cancer, the Ladies of Rylstone decided that posing nude for the calendar and donating the proceeds was one way to honor his memory and cope with this devastating loss. No one could have predicted what happened next. The calendar began to sell and soon the whole world it seemed was interested in their story. In *Calendar Girl*, Tricia Stewart reveals the whole charming heartwarming story as only she could. National Magazine, 1912 *The Indicator* William H. Burr, Frank H. Leavenworth, John J. Oliver, 1906 *In American Fashion* Natalie Nudell, 2024-08-22 *In American Fashion* is the first scholarly analysis of the Fashion Calendar, the unique scheduling service and trade publication for the American fashion and creative industries between 1941 and 2014. Published by Ruth Finley for almost seven decades, the Calendar had an extensive impact on the development of the American fashion industry in the 20th century. Unlike European fashion capitals, the American fashion industry relied on an independent small publisher to manage the schedule of an ever-growing industry. *In American Fashion* shows how this independent position influenced the democratic approach reflected in the industry in the United States. Finley's unique contribution to the development of the time system and culture of American fashion made her a key player during the ascendancy of American fashion design. Natalie Nudell unveils the Fashion Calendar as a historical archive and also looks at its development into an open source.
