**A Feral Christmas (Lost Shifters Book 2)** Stephani Hecht, 2017 Jaguar shifter Brent is on the most important mission of his life to find his missing brothers. Separated years ago when their family home was attacked by the Ravens, Brent has never forgotten his lost siblings and will do anything to bring them back home. Then he finds out that one man holds the key to their location: a Hawk shifter named Daniel. Daniel has been on the run from the Ravens ever since they nearly eradicated all of his kind. Hiding by living as a human, the last thing he wants is to be sucked back into the shifter world. Then he wakes up to find a Jaguar shifter in his bedroom demanding his help. Even though he wants to refuse, Daniel takes one look at the desperation in Brent's eyes and knows he has to help. Even the smallest child knows that cats and birds don't mix. It still doesn't stop the two men's growing attraction to each other. Even as they fight new and old enemies, their feelings of love grow. Will they be able to overcome a lifetime's worth of hatred and prejudice to be together? Or will they have to pay the ultimate price for love?
