International Practices to Promote Budget Literacy Harika Masud,Helene Pfeil,Sanjay Agarwal,Alfredo Gonzalez Briseno,2017-08-09 Budget literacy is defined as the ability to read decipher and understand public budgets to enable and enhance meaningful citizen participation in the budget process It is comprised of two main parts i a technical understanding of public budgets including familiarity with government spending tax rates and public debt and ii the ability to engage in the budget process comprising of practical knowledge on day to day issues as well as an elementary understanding of the economic social and political implications of budget policies the stakeholders involved and when and how to provide inputs during the annual budget cycle Given that no international standards or guidelines have been established for budget literacy education to date this book seeks to address this gap by taking stock of illustrative initiatives promoting budget literacy for youth in selected countries The underlying presumption is that when supply side actors in the budget process governments simplify and disseminate budget information for demand side actors citizens this information will then be used by citizens to provide feedback on the budget However since citizens are often insufficiently informed about public budgets to constructively participate in budget processes one way to empower

them and to remedy the problem of budget illiteracy is to provide budget literacy education in schools to youth helping them evolve into civic minded adults with the essential knowledge needed for analyzing their government's fiscal policy objectives and measures and the confidence and sense of social responsibility to participate in the oversight of public resources This book elaborates on approaches learning outcomes pedagogical strategies and assessment approaches for budget literacy education and presents lessons that are relevant for the development improvement or scaling up of budget literacy initiatives

The American Middle Class Robert S. Rycroft, 2017-05-12 What is the American Dream This book's author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline Americans of all classes consider themselves to be middle class There are Americans who by any objective standard should be considered poor who would insist they are middle class just as other Americans who should be considered wealthy also insist they are middle class Thinking of yourself and being thought of by others as middle class is the American Dream for tens of millions of people But an enduring problem of the American middle class is the worry that the Dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty This thought provoking reference explores a disparate multitude of issues associated with being middle class in America It addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the American mosaic what economic pressures are bearing down on the middle class and how economists and others attempt to make sense of the economic issues of the day Readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others This two volume set provides a comprehensive look at the American middle class that supports student research in economics social studies cultural studies and political history The content supports teachers in their development of lesson plans and assignments that directly align with the Common Core State Standards and the recommendations of the National Curriculum Standards for Social Studies NCSS with respect to all ten NCSS themes

The Foundations of Behavioral Economic Analysis Sanjit S. Dhami, 2016 It considers the evidence against the exponential discounted utility model and describes several behavioral models such as hyperbolic discounting attribute based models and the reference time theory Part IV describes the evidence on classical game theory and considers several models of behavioral game theory including level k and cognitive hierarchy models quantal response equilibrium and psychological game theory Part V considers behavioral models of learning that include evolutionary game theory classical models of learning experience weighted attraction model learning direction theory and stochastic social dynamics Part VI studies the role of emotions

among other topics it considers projection bias temptation preferences happiness economics and interaction between emotions and cognition Part VII considers bounded rationality The three main topics considered are judgment heuristics and biases mental accounting and behavioral finance Chinese Urban Transformation Chen Yuezhi, Alan Hudson, He Lisheng, 2019-06-27 Now an established global force China has experienced a sustained period of staggering economic growth since policy reform in the 1970s Chinese urbanisation is the most significant example of economic environmental and social change both within China and globally In recent years central government has made a concerted effort to encourage city governments to realign their priorities and achieve a balance between economic efficiency social justice and environmental protection Chinese Urban Transformation A Tale of Six Cities is a fascinating exploration of the dramatic development Chinese cities have undergone Tracing this transformation through a comprehensive analysis of social and economic change in six cities it unravels the complex relationship between policy outlook and role that urban development plays in China's view of itself including the tensions resulting from rapid social and economic change *The Working Classroom* Matt Bromley, Andy Griffith, 2023-11-08 Schools do amazing work to support children from disadvantaged backgrounds But this book will enable them to do more Disadvantage comes in many forms but cultural poverty where some students have relative knowledge gaps compared with their more affluent peers can be addressed successfully by schools The Working Classroom explores how working class students are disadvantaged by a flawed system and what schools can do to close the gap Written by two experienced authors with a deep understanding of the challenges that poverty and low aspiration can bring and a passion for social justice The Working Classroom examines how and why we must seek systemic changes The book focuses on actions within the control of teachers and school leaders which will ensure that we create a socially just education system one that builds on the rich heritage of the working class rather than seeing their background as a weakness It offers practical ways for students and families to build on the best of working class culture whilst also empowering teachers students and parents to change the system The Working Classroom provides teachers with useful methods to improve the cultural capital of students from disadvantaged backgrounds that can be easily replicated and implemented in their own setting Backed up by practical case studies that have a proven impact in schools with high levels of deprivation this book will enable teachers to audit their current provision and encourage them to adopt new systems and practices so that they and the wider school will have a greater impact on the lives of working class students and their families Suitable for both teachers and leaders in a secondary school or sixth form college setting who seek to support social change in education and anyone in the corporate or non education world who wants to practice effective altruism or philanthropy Law, Economics, and Conflict Kaushik Basu, Robert C. Hockett, 2021-08-15 In Law Economics and Conflict Kaushik Basu and Robert C Hockett bring together international experts to offer new perspectives on how to take analytic tools from the realm of academic research out into the real world to address pressing policy questions As the essays discuss

political polarization regional conflicts climate change and the dramatic technological breakthroughs of the digital age have all left the standard tools of regulation floundering in the twenty first century These failures have in turn precipitated significant questions about the fundamentals of law and economics The contributors address law and economics in diverse settings and situations including central banking and the use of capital controls fighting corruption in China rural credit markets in India pawnshops in the United States the limitations of antitrust law and the role of international monetary regimes Collectively the essays in Law Economics and Conflict rethink how the insights of law and economics can inform policies that provide individuals with the space and means to work innovate and prosper while guiding states and international organization to regulate in ways that limit conflict reduce national and global inequality and ensure fairness Contributors Kaushik Basu Kimberly Bolch University of Oxford Marieke Bos Stockholm School of Economics Susan Payne Carter US Military Academy at West Point Peter Cornelisse Erasmus University Rotterdam Ga l Giraud Georgetown University Nicole Hassoun Binghamton University Robert C Hockett Karla Hoff Columbia University and World Bank Yair Listokin Yale Law School Cheryl Long Xiamen University and Wang Yanan Institute for Study of Economics WISE Luis Felipe Lopez Calva UN Development Programme C lestin Monga Harvard University Paige Marta Skiba Vanderbilt Law School Anand V Swamy Williams College Erik Thorbecke Cornell University James Walsh University of Oxford Contributors Kimberly B Bolch Marieke Bos Susan Payne Carter Peter A Cornelisse Ga l Giraud Nicole Hassoun Karla Hoff Yair Listokin Cheryl Long Luis F Lopez Calva C lestin Monga Paige Marta Skiba Anand V Swamy Erik Thorbecke James Walsh
