Making Sense of Test-Based Accountability in Education Laura S. Hamilton, Brian M. Stecher, Stephen P. Klein, 2002-07-31 Test based accountability systems that attach high stakes to standardized test results have raised a number of issues on educational assessment and accountability. Do these high stakes tests measure student achievement accurately? How can policymakers and educators attach the right consequences to the results of these tests? And what kinds of tradeoffs do these testing policies introduce? This book responds to the growing emphasis on high stakes testing and offers recommendations for more effective test based accountability systems.

Worth A Thousand Words Meryl Jaffe, Talia Hurwich, 2018-12-21 Use graphic novels to teach visual and verbal literacy. While our kids today are communicating outside the classroom in abbreviated text bursts with visual icons teachers are required to teach them to critically listen think and read and write complex texts. Graphic novels are a uniquely poised vehicle we can use to bridge this dissonance between student communication skills and preferences with mandated educational goals. *Worth a Thousand Words* details how and why graphic novels are complex texts with advanced level vocabulary and demonstrates how to read and analyze these texts. It includes practical advice on how to integrate these books into both ELA and content area classrooms and provides an extensive list of appropriate graphic novels for K-8 students lesson suggestions paired graphic prose reading suggestions and additional resources for taking these texts further. Provides research to back up why

graphic novels are such powerful educational tools Helps you engage diverse student learners with exciting texts Shows you how to make lessons more meaningful Offers advice on implementing new literary mediums into your classroom Perfect for parents and teachers in grades K 8 Worth a Thousand Words opens up an exciting new world for teaching children visual and verbal literacy
