

Health and safety policy: An example

Checklist from Seven steps > Step 3 > Further tools

The statement below is an illustrative example taken from a leading employer involved in the development of this toolkit. This text is part of the first section of their Health and Safety Policy; the general statements of intent. It does not in any way attempt to set out detailed arrangements for health and safety, and is provided to give some insight into the use of words and phrases that will encourage good leadership and worker involvement. The underlined text and corresponding comment boxes highlight key points.
