Microeconomics Samuel Bowles, Simon D. Halliday, 2022 The authors bring into the classroom the ideas that today s researchers and policy makers use including behavioral economics game theory and incomplete contracts Modern microeconomics is applied to pressing issues that students care about inequality climate change and innovation and illustrated with empirical case studies **Study Guide [to Accompany] Microeconomics, 2nd Ed., R. Glenn Hubbard, Anthony O'Brien** Wendine Thompson-Dawson, Edward Scahill, 2009 **Protecting Minority Rights in African Countries** John M. Mbaku, 2018-01-26 In this enlightening book John Mukum Mbaku analyses the main challenges of constitutional design and the construction of governance institutions in Africa today He argues that the central issues are providing each country with a constitutional order that is capable of successfully managing sectarian conflict and enhancing peaceful coexistence protecting the rights of citizens including those of minorities minimizing the monopolization of political space by the majority to the detriment of minorities and effectively preventing government impunity Mbaku offers a comprehensive analysis of various approaches to the management of diversity and shows how these approaches can inform Africa s struggle to promote peace and good governance He explores in depth the existence of dysfunctional and anachronistic laws and institutions inherited from the colonial state and the process through which laws and institutions are formulated or constructed adopted and amended A close look at the constitutional experiences of the American Republic provides important lessons for constitutional design and constitutionalism in Africa Additionally comparative politics and comparative

constitutional law also provide important lessons for the management of diversity in African countries Mbaku recommends state reconstruction through constitutional design as a way for each African country to provide itself with laws and institutions that reflect the realities of each country including the necessary mechanisms and tools for the protection of the rights of minorities From students and scholars to NGOs lawyers and policymakers this unique and judicious book is an essential tool for all those seeking to understand and improve governance and development in Africa
