Graduate Attributes in Higher Education Carey Normand,Lorraine Anderson,2017-03-31 Graduate Attributes in Higher Education illuminates the value of graduate attributes for students graduates and lecturers in higher education A coherent intelligent subtle and important enhancement to the field this text guides readers through a theoretical and historical analysis of graduate attributes using interdisciplinary and interprofessional lenses This unique

approach offers pertinent coverage of a wider range of graduate attributes than one usually sees generating multiple perspectives and discourses that have implications for both theory and practice Through an open and exploratory analysis this text asks questions such as the following Are programmes of study which claim postgraduate attributes providing something further deeper or enhanced in comparison or just more of the same Should we be developing continuing professional development attributes for our professional learning programmes of study or are attributes of this nature established at the undergraduate level How can we embed graduate attributes in curricula in a wide range of subject discipline specific and interdisciplinary ways In a culture of lifelong learning and a cross disciplinary changing global market are attributes simply a starting point a launch pad for future and ongoing development required for a world of increasing complexity Clearly structured and offering a mix of case study and theoretical frameworks to explore each GA practical guidance is offered at the end of each chapter on how to embed the relevant graduate attribute whilst providing well researched theoretical underpinning The varied methods applied and methodological attitudes espoused will prove inclusive to a wide range of readers Bringing together analysis of specific case studies from a wide range of professional and discipline specific contexts Graduate Attributes in Higher Education will be a valuable text for educators and professionals focused on curriculum development and professional learning

ECCWS2015-Proceedings of the 14th European Conference on Cyber Warfare and Security 2015 Dr Nasser Abouzakhar, 2015-07-01 Complete proceedings of the 14th European Conference on Cyber Warfare and Security Hatfield UK Published by Academic Conferences and Publishing International Limited

Technology Integration and Transformation of Elections in Africa Cosmas Uchenna Nwokeafor, 2017-02-22 Technology Integration and Transformation of Elections in Africa serves as a standard textbook and a reference guide to students in both undergraduate and graduate programs in tertiary institutions where elaborate discourse on the impact of technology to political elections and advancements across the continental Africa have continued to gain weight The rationale in publishing this textbook far more outweighs its timeliness but speaks highly of its significance because it deals with technology integration and transformation of elections in Africa a region whose elections has been continuously marred by corruption and incessant fraudulent activities perpetrated by both the citizens various political parties and the umpires whose responsibilities were to present a credible election Elections in Africa draws international attention and the news is seldom good For instance the elections in Kenya fueled violence that left 1 500 dead and 300 000 displaced while elections in Zimbabwe suffered from massive fraud and brutal suppression In Nigeria in 1999 and 2011 the result of the elections were in shambles and some of the parties that lost the election took to the street resulting in the death of significant percentage of innocent people

The Elusive African Renaissance George Klay Kieh, Jr., 2018-09-12 Africa faces several major development challenges that have adversely affected the political and material well being of the majority of the people living there This collection of new essays rigorously analyzes those frontier development issues including democracy leadership the

economy poverty alleviation through microfinance schemes food security education health and political instability and offers prescriptions that differ from the dominant neoliberal solutions

Due Diligence in International Law Joanna Kulesza, 2016-08-09 Due Diligence in International Law identifies due diligence as the missing link between state responsibility and international liability Acknowledged in all legal fields it ensures international peaceful cooperation and prevents significant transboundary harm yet it has thus far not been comprehensively discussed in literature The present volume fills this void Kulesza identifies due diligence as a principle of international law and traces its evolution throughout centuries The no harm principle key to identifying responsibility for transboundary harm focal to international environmental law and applicable to e g combating terrorism follows states obligation of due diligence in preventing foreign harm This obligation present in various treaty based and customary regimes is argued to be a principle of international public law applicable to all obligations of conduct
