Indesign Cs3 Scripting Guide:

Mastering InDesign CS3 for Print Design and Production Pariah S. Burke, 2007-08-13 Mastering InDesign for Print Design and Production shows how experienced professionals with deadlines and billable hours use InDesign efficiently and effectively Through the case studies and interviews readers will find inspired to look beyond the over emphasized basic features and into the depths of InDesign s utility for real world print design Most InDesign books are written for beginners and experienced users are frustrated by them When you already know how to make fill and thread a text box the entire first half of most InDesign books is useless But this one doesn t dwell on the basics Mastering InDesign for Print Design and Production fulfills the promise of the Mastering series to provide real world skills to professionals and students Like all Mastering books this one includes A by pros for pros approach The author is an active professional working in the field of graphic arts layout and design writing for professionals who want to improve their skills or learn new skills Real world examples Running throughout the text are examples of how the various skills are applied in real scenarios described throughout the book in the form of examples and case studies from the author s own design and consulting work as well as interviews with other designers using InDesign on the job Skill based teaching and hands on exercises Although the book has a comprehensive glossary page one begins right away speaking to the core market print professionals in industry terms about industry challenges This immediately lets experienced InDesign users know the book is about them The approach is humorous making the digestion and retention of complicated information easier for the reader through quips anecdotes and design and print geek humor But at all times the book is true to its mission Helping a professional do their job in InDesign without frustration confusion or aesthetic compromise

Scripting InDesign CS3/4 with JavaScript Peter

Kahrel, 2009-04-05 Author note In Adobe InDesign CS6 the changes to InDesign s scripting DOM are absolutely minimal Therefore the information in this title is valid and up to date for CS6 Updated August 2010 Author Peter Kahrel updated this Short Cut to cover InDesign CS5 InDesign provides a powerful set of tools for producing beautiful documents While you can certainly do all your work by hand through InDesign s graphical interface there are many times when it s much easier to write a script Once you ve automated a task you can run it over the whole document ensuring consistency or just when you need it simplifying and speeding your layout process All it takes is a bit of JavaScript knowledge and a willingness to explore InDesign s programming features
