

Come Away (based on Mark 6:31)

“Come away...

To go on retreat is to take time away from the ordinary routine in order to immerse oneself in prayer and quiet. What is God calling you away from in order to draw closer to him?

...by yourselves...

Solitude is a time-honored spiritual practice. It differs from loneliness or isolation in that it is entered into willingly. Seek out a place where you can be alone, and savor the opportunity to befriend yourself and to place yourself in an awareness of God's presence.

...to a secluded place...

Thanks to technology, we seem to be living in a perpetual chat room. Silence is the sister practice to solitude. Set aside a period of time in which to turn off your cell phone and disengage from the computer. Revel in the quiet that ensues both externally and internally.

...and rest awhile.”

Jesus' invitation to his disciples concludes with the enticing notion of rest. As such, it is a reiteration of Sabbath – a time in which to rest from labor. Consider what “belabors” you and how you might set it aside in order to rest quietly and peacefully in God's embrace.

Kairos Agape Letters

William H. Barnwell

Kairos Agape Letters:

Called to Heal the Brokenhearted William H. Barnwell, 2016-03-21 In this stirring book William H Barnwell tells the stories of prison inmates and the Kairos Prison Ministry volunteers who work with them Set mostly at the huge Louisiana State Penitentiary at Angola Barnwell's narrative illustrates how offenders who have done the worst can and do change becoming model inmates and if released productive citizens The stories also reveal how Kairos volunteers have found healing for broken hearts Given that the United States incarcerates more people per capita than any country in the world reformers are seeking radically new ways to reduce our prison populations Kairos volunteers and inmates alike have much to contribute to the ongoing reform discussions Now serving 300 state and federal prisons 30 000 Kairos volunteers work with 20 000 inmates each year They take part in long weekend retreats with the inmates and follow up with regular prison visits Since its beginning in 1976 Kairos has served over 250 000 inmates Broad based nondenominational and nonjudgmental Christian Kairos seeks to carry out its slogan listen listen love love among inmates who have had few to listen to them and fewer still to love them In Called to Heal the Brokenhearted are stories of undeniable redemption They point the way to personal transformation for the inmates and the volunteers One Kairos inmate speaks of the change this way he makes guitars out of the good wood hidden beneath the surface of throwaway pianos I find my work incredibly fulfilling he says I see myself in every piano discarded by society but redeemed and put to use in a new way

The Cursillo Movement in America Kristy Nabhan-Warren, 2013 The internationally growing Cursillo movement or short course in Christianity founded in 1944 by Spanish Catholic lay practitioners has become popular among American Catholics and Protestants alike This lay led weekend experience helps participants recommit to and live their faith Emphasizing how American Christians have privileged the individual religious experience and downplayed denominational and theological differences in favor of a common identity as renewed people of faith Kristy Nabhan Warren focuses on cursillistas those who have completed a Cursillo weekend to show how their experiences are a touchstone for understanding these trends in post 1960s American Christianity Drawing on extensive ethnographic fieldwork as well as historical research Nabhan Warren shows the importance of Latino Catholics in the spread of the Cursillo movement Cursillistas stories she argues guide us toward a new understanding of contemporary Christian identities inside and outside U S borders and of the importance of globalizing American religious boundaries

My Brother's Keeper Jonathan Burnside, Joanna Adler, Nancy Loucks, Gerry Rose, 2013-06-17 Ten years ago there were no faith based units in prisons outside South America Today they are spreading all over the world including the United States Europe and the Commonwealth *My Brother's Keeper* is the first major study of a global phenomenon Exploring the roots of faith based units in South America it explains why the Prison Service of England and Wales set up the first Christian based unit in the western world in 1997 and its rapid expansion It also explains how at exactly the same time the United States introduced Christian based units and why they were complimented by interfaith and multifaith initiatives At the heart of My

Brother's Keeper is an interior account of life inside four Christian based prison units in England. It draws on the findings of a detailed evaluation conducted by the authors for the Home Office Prison Service and Kainos Community between 2000 and 2001 including an updated reconviction study. It is an authoritative account of an innovative programme. Its analysis of what works and what doesn't in faith based units around the world makes My Brother's Keeper a valuable roadmap for all who care about improving prison conditions. It presents a vision of justice that is not just concerned with building more prisons but with rebuilding more prisoners. It argues that by making prisons more human and punishment more humane faith based units can be of value and keep faith in prisons.

Love in a Cauldron of Misery Kirk Blackard, 2012-09-27 Christians are called to minister to people in prison. But most know next to nothing about prisons, the needs of the people in them or the biblical basis for addressing those needs. Love in a Cauldron of Misery fills that void. This book provides a brief historical perspective that orients the reader and a discussion mainly in the words of people with real experience of what prisons and prisoners are really like and why the need for ministry is so great. It then explores the biblical charge for Christians to meet these needs and discusses ways in which they can do so. Love in a Cauldron of Misery is an invaluable resource for any pastor, teacher or lay person who is participating in, considering or just wants to know more about prison ministry.

Spiritual Entrepreneurs Brad Stoddard, 2021-02-17 The overall rate of incarceration in the United States has been on the rise since 1970s skyrocketing during Ronald Reagan's presidency and recently reaching unprecedented highs. Looking for innovative solutions to the crises produced by gigantic prison populations, Florida's Department of Corrections claims to have found a partial remedy in the form of faith and character based correctional institutions, FCBI's. While claiming to be open to all religious traditions, FCBI's are almost always run by Protestants situated within the politics of the Christian right. The religious programming is typically run by the incarcerated along with volunteers from outside the prison. Stoddard takes the reader deep inside FCBI's analyzing the subtle meanings and difficult choices with which the incarcerated prison administrators, staff and chaplains grapple every day. Drawing on extensive ethnographic research and historical analysis, Brad Stoddard argues that FCBI's build on and demonstrate the compatibility of conservative Christian politics and neoliberal economics. Even without authoritative data on whether FCBI's are assisting rehabilitation and reducing recidivism rates, similar programs are appearing across the nation. Only Iowa has declared them illegal under non-establishment of religion statutes. Exposing the intricate connections among incarceration, neoliberal economics and religious freedom, Stoddard makes a timely contribution to debates about religion's role in American society.
