century Garrioch claims that until 1750 Paris remained a city characterized by a powerful sense of hierarchy. From the mid century on however and with gathering speed economic demographic political and social change swept the city. Having produced an extremely engaging account of the old corporate society Garrioch turns to the forces that relentlessly undermined it. John E Talbott author of *The Pen and Ink Sailor* Charles Middleton and the King's Navy 1778-1813. A truly wonderful synthesis of the many historical strands that compose the history of eighteenth century Paris. In rewriting the history of the French Revolution as a more than century long urban metamorphosis Garrioch makes a brilliant case for the centrality of Paris in the history of France. Bonnie Smith author of *The Gender of History: Men, Women and Historical Practice*.

Apocalypse in Islam Jean-Pierre Filiu, 2011. This is an eye opening exploration of a troubling phenomenon: the fast growing belief in Muslim countries that the end of the world is at hand. An author and subject index to publications in fields of anthropology, archaeology and classical studies, economics, folklore, geography, history, language and literature, music, philosophy, political science, religion and theology, sociology and theatre arts.

L'Antisémitisme Éclairé Ilana Zinguer, Sam Bloom, 2021-10-11. This volume principally deals with perceptions on Jews dating from the beginnings of their emancipation to the Dreyfus Affair. The title in French and the original title of the colloquium in Hebrew, *Enlightened Antisemitism*, not only reflects the overall anti religious, anti Christian and hence by necessity anti Jewish sentiments of an Enlightenment figure such as Voltaire but also refers to those who justified either their philosemitism or antisemitism with erudition. Johann David Michaelis, Antoine Guinand, Charles Maurras etc. With France as its focal point, the volume also contains essays that treat various perceptions of Jews during the same period in England, Germany and Italy. Interdisciplinary in nature, this collection of essays treats the Jewish question from historical, literary and sociological angles. *Dictionnaire des littératures policières* Claude Mesplède, 2007. *Dictionnaire des littératures policières*: vocation encyclopédique proposant aussi bien des articles sur les thèmes caractéristiques du genre policier que sur les collections, les magazines, les auteurs, notices, biobibliographiques, les personnages etc. **Les pirates** Christine Brouillet, Philippe Brochard, 1992. Catherine est la colonie de vacances de l'île aux loups. C'est chou. Le galian de Luis le Terrible. Elle et son copain Julien tentent de trouver le trésor du pirate mais ils découvrent un réseau de trafiquants de drogue.
