This 18 300 word 99 page book is currently available worldwide exclusively on Amazon. *Male Chastity* Jules Scot, 2017-06-14. Helpful advice from a female on how to introduce your partner to male chastity. Avoiding some of the common pitfalls. **Male Chastity Challenge Workbook for Loving Couples** Darius Night, 2021-09-26. Male Chastity Workbook for Loving Couples. Locktober can be read by those new to the practice of male chastity or by more seasoned practitioners. This monthly program with the daily tasks will keep even the more experienced spouses satisfied and locked. Submissives hearts pumping hard in that sweet agony of unfulfilled desire. Male chastity is a practice that is often associated with female domination, female led relationship, FLR, cuckolding, sissification and forced bi. But just as often there is nothing more than the loving relationship between the couple and the devotion from the male to focus all his sexual energy towards his partner. In this workbook the tone and the tasks are relatively neutral regarding the other practices that you, Dear Reader, might be engaged with. There's a leaning towards female domination which I believe goes quite naturally with the fact that she is the guardian of his orgasms. This monthly program runs through the entire Locktober beginning on the 1st and ending only on the 31st of October. And as the name suggests there will be no cumming for the male during the duration. Maybe in the very end, maybe not. You will have to follow through with the program to find out. Chapters are numbered as the days of the month and each chapter describes the task for the day. The only equipment you need is a male chastity device; everything else you already have. And rest assured the Keyholder will have the most sexually fulfilled month of her life. **Chastity** Marisa Rudder, 2020-11-20. *CHASTITY: The Guide to Male Chastity* is the latest book in Marisa Rudder's Female Led Relationship Series.
