The "man vs man" motif in literature is a type of conflict in which two or more characters have opposing goals, views, beliefs, or values that come into conflict.

## OVERVIEW

The central focus of the man vs man motif revolves around this tension created by arguments, confrontations, and fights, but often concludes with some resolution that resolves tensions. This resolution may be through the characters working through misunderstandings, or (often) the triumph of one character over another in an epic duel.
