can do and won't let it pull me down I've seen my friends and family in my pack become mated and it's become their downfall Hell it's the reason I became Alpha so young So wanting a mate and all that love bullshit yeah no thank you don't want it don't need it Then my best friend Cameron finds his twin sister and my wolf doesn't give me a choice no matter how hard I try to fight it She pulls me in we're too much alike neither one of us want this but can't stay away She's from one pack and I'm from another it would be perfect then we find out we're fated Well there goes my theory that being mated will be my downfall because now we're screwed A fated mate means being vulnerable in a way I've never been and it could kill us both I guess whoever asked the question Is love worth dying for was a fated mate thanks dude
