Fathers and Sons Ivan Turgenev, Sheba Blake, 2017-04-18 *Fathers and Sons* is a novel by Ivan Turgenev and vies with *A Nest of Gentlefolk* for the repute of being his best novel Arkady Kirsanov has just graduated from the University of Petersburg and returns with a friend Bazarov to his father s modest estate in an outlying province of Russia His father Nikolai gladly receives the two young men at his estate called Maryino but Nikolai s brother Pavel soon becomes upset by the strange new philosophy called nihilism which the young men especially Bazarov advocate Nikolai initially delighted to have his son return home slowly begins to feel uneasy and a certain awkwardness in his regard

as it emerges that Arkady's views much influenced by Bazarov are radical and make his own beliefs feel dated Nikolai has always tried to stay as current as possible by doing things such as visiting his son at school so the two can stay as close as they are but this in Nikolai's eyes has failed To complicate this the father has taken a servant Fenechka into his house to live with him and has already had a son by her Arkady however is not troubled by the relationship to the contrary he openly celebrates the acquisition of a younger brother The two young men stay over at Maryino for some weeks then decide to visit a relative of Arkady's in a neighboring province There they observe the local gentry and meet Madame Anna Sergeevna Odintsova an elegant woman of independent means who cuts a seductively different figure from the pretentious or humdrum types of her surrounding provincial society of gentry Both are attracted to her and she intrigued by Bazarov's singular manner invites them to spend a few days at her estate Nikolskoe While Bazarov at first feels nothing for Anna Arkady falls head over heels in love with her

Turgenev,1991-10-15 One of the gretest of the classic Russian novels this universal tale of generational conflict is set at a moment of historic social upheaval just before the emancipation of the serfs in 1861 When Arkady Kirsanov returns home from university his father and uncle find to their bafflement and dismay that the naive and impressionable young man has come under the sway of the charismatic new friend he brings with him A fervent nihilist Yevgeny Bazarov passionately rejects traditional values and authority and wants to overturn the oppressive landowning system that supports Russian society and his own parents As Bazarov provokes the disapproval of his elders falls unsuccessfully in love and fights a duel he moves like a storm cloud through this sensuous dramatically paced account of Russia on the brink of change Ivan Turgenev s greatest fictional character is as compelling and as enigmatic as the country whose turmoil he so vividly represents Introduction by John Bayley Translation by Avril Pyman *Fathers and Children* Ivan Turgenev,2016-08-01 Arguably the finest novel by Ivan

Turgenev *Fathers and Children* tells a compelling story of generational conflict Published in the 1860s this novel alludes to the changing social climate of 19th century Russia old style liberals widely represented in the elder generation would clash with the bold nihilists many of whom were young Characters from the former group are represented with marked humbleness and nostalgia while those of the latter group are inclined to pointed declarations espousing the avant garde philosophy of the time Old institutions such as the Russian Orthodox church are openly challenged by characters in the text while the young nihilists Bazarov and Arkady grapple with their affections for Madame Odintsova an elegant cultured and financially independent woman Notable for placing the term nihilism into wide use this was one of the first novels from Russia to have emerged and gained widespread approval among Western literary critics and readers *Fathers and Children* remains a historically poignant and significant work to this day Fathers and Children Ivan Ivan Turgenev,2017-05-20

Fathers and Sons also translated more literally as *Fathers and Children* is an 1862 novel by Ivan Turgenev and vies with *A Nest of Gentlefolk* for the repute of being his best novel The fathers and children of the novel refers to the growing divide between the two generations of Russians and the character Yevgeny Bazarov a nihilist who rejects the old order **Fathers and Sons** Ivan Turgenev,2016-04-25 *Fathers and Sons* Turgenev s most famous and enduring novel appeared in 1862 Its

leading character Eugene Bazarov considered the first Bolshevik in Russian literature was in turn heralded and reviled as either a glorification or a parody of the new men of the 1860s The novel examined the conflict between the older generation reluctant to accept reforms and the nihilistic youth In the central character Bazarov Turgenev drew a classical portrait of the mid nineteenth century nihilist Fathers and Sons was set during the six year period of social ferment from Russia s defeat in the Crimean War to the Emancipation of the Serfs Hostile reaction to Fathers and Sons prompted Turgenev s decision to leave Russia As a consequence he also lost the majority of his readers Many radical critics at the time with the notable exception of Dimitri Pisarev did not take Fathers and Sons seriously and after the relative critical failure of his masterpiece
