

A large, detailed feather is the central focus of the image. It is oriented diagonally from the top left towards the bottom right. The feather's shaft is a pale, translucent yellow. The vane of the feather is filled with a vibrant, abstract pattern of colors including shades of blue, purple, pink, and orange, giving it a painterly or stained-glass appearance. The base of the feather, where it would attach to a bird, is frayed and shows a mix of brown, orange, and purple fibers. The entire feather is set against a solid black background.
