The Pleasures and

Horrors of Eating Marion Gymnich, 2010-09-15 Browsing through books and TV channels we find people pre occupied with eating cooking and competing with chefs Eating and food in today s media have become a form of entertainment and art A survey of literary history and culture shows to what extent eating used to be closely related to all areas of human life to religion eroticism and even to death In this volume early modern ideas of feasting banqueting and culinary pleasures are juxtaposed with post 18th and 19th century concepts in which the intake of food is increasingly subjected to moral theological and economic reservations In a wide range of essays various images rhetorics and poetics of plenty are not only contrasted with the horrors of gluttony they are also seen in the context of modern phenomena such as the anorexic body or the gourmandizing b te humaine It is this vexing binary approach to eating and food which this volume traces within a wide chronological framework and which is at the core not only of literature art and film but also of a flourishing popular culture

Unseduced and Unshaken Rosalie De Rosset, 2012-08-01 You can t afford to live casually haphazardly No matter your age you were born into a plethora of expectations of what it means to be a woman How easily we assume impoverished views of womanhood as we hoist beauty and desirability above the more enduring traits of self possession and dignity We tend to live as divided and distracted selves allowing our bodies and minds to drift to opposite poles while swapping our pursuit of God for tamer lesser loves This collection of essays is more than a call to modesty or chastity It is a thoughtful provocation to speak well read often make choices that reflect the character of God and even to establish a theology of play or leisure Being intentional with your choices cultivating your intellect and taking seriously your voice determines not only what kind of person you are but also what kind of woman you will be *Unseduced and Unshaken* raises the bar for young Christian women It s a call for all Christian women to examine their personal faith presuppositions deliberately choose a life of Biblical dignity and to not be frightened to allow theology to inform our choices Just Between Us Summer 2013 issue
