soul's purpose Providing 14 easy to use spiritual tools to activate your integrated intelligence Marcus Anthony shows you how to tap in to the wisdom of your soul template distinguish the voice of ego from the voice of your inner sage and strengthen your intuition to profound levels thereby developing a trusted inner source of guidance Explaining how the mind is not a shallow pond but an ocean of competing voices and energies he reveals why the Law of Attraction doesn't work for most people any vision you attempt to manifest must be aligned with your soul template or the competing voices will act against it Revealing how to bring the mind into presence to get the secret to work for you Anthony shows how to use integrated intelligence to identify and live your true calling and create the life you want while fulfilling the deeper needs of your spirit

Who Am I Now That I Am Alone? A Journey Back after Divorce or Death James L Ramsey, 2014-08-13
The Who Am I Now That I Am Alone program began after my divorce I gathered others who had experienced divorce into a group to explore our situation and how we could move forward with our lives This group became one of the first in the country to help people going through divorce remember in the 70's there still was not a great deal of acceptance of divorce in the culture Hundreds of people have experienced the program that was developed after the first group and have found it very helpful Over the years people have asked to read the book but it was a group process guide and not a narrative This book translates most of the program's material which was designed for group interaction into a format that will allow those who have experienced loss through divorce or death to benefit from the program on their own Chapters 1-3 concern communication including communicating and understanding feelings We can only develop meaningful relationships through effective communication These chapters also work on improving both interpersonal communication skills and your internal self talk communication Chapters 4-6 focus on understanding the importance of personal relationships in our lives guiding readers to move out and expand and deepen supportive relationships These are important skills for enriching the quality of anyone's life Finally Chapters 7-8 are designed to help readers develop a more positive personal identity Many people come out of a divorce or the loss of a relationship feeling like a failure and somewhat worthless These chapters reintroduce readers to their authentic selves Your authentic self has so many good qualities which when recognized and affirmed will offset the feelings of guilt and failure This change in perspective will bring the motivation to leave the past behind and build a new and exciting life

CONTENTS Introduction Chapter 1 Some Understandings about Divorce Chapter 2 How to Effectively Communicate Your Feelings Chapter 3 Understanding Interpersonal and Intrapersonal Communications Chapter 4 The Continuing Question Who Am I Now That I Am Alone Chapter 5 Expanding Friendships for Balance in Life Chapter 6 The Need for Community Chapter 7 Getting in Touch with Your Successes Chapter 8 Taking the New You into the World About the Author James Ramsey's career has been divided into three very interesting segments The first part of his career he served as a United Methodist Minister in Southern California where he served three churches The second part as a corporate trainer working for organizations like Northrop Aircraft Fluor Corporation and the Orange County Transit District and the

last segment as a human resources director where he completed his full time work at Family Solutions an organization that worked with at risk children Jim has also taught speech communications at several community colleges Currently he is an independent human resource consultant for a nonprofit and also works part time in a local library He has a Bachelor s degree in Social Science and Master of Divinity degree During the 1970 s while going through a divorce he gathered a group of people who were also going through divorce for weekly sessions and these sessions later were refined and became his divorce recovery program *Who Am I Now That I Am Alone* This program has been delivered to hundreds of people over the years Jim with the assistance of other professionals also conducted training programs to develop more leaders to deliver the program Keywords Divorce Recovery Self Help Divorce Widowed Divorce Program [My Little Mood and Emotion Tracker](#) Cherry & Cherry & Pickle Publishing,2020-03-28 *My Little Mood And Emotion Tracker Journal An Emotion Journal For Positive Thinking And Self Reflection* A journal to write in daily with prompts intended to encourage your child to reflect on their emotions feelings and their day This could be used every day but it is undated so can be used whenever your child would like Each day contains two whole 6 x 9 pages to work on There is a variety of repeating templates but each first page includes Space for the date at the top A section to write about the days best bit A section to share any worries they have A section to log their key emotion for the day A section for logging things such as what they are grateful for or 3 things they loved about the day On the right there is a variety of 3 daily page templates that repeat throughout the book All of them include some space to draw doodle or stick plus some additional space for things like Extra space for writing A place to write a list of things they made need to remember A space to log a variety of things such as acknowledging someone that made them smile something that made them proud something that helped them that day or things they may have found hard and so on Every journal has over 100 pages and is measured at 6 x 9 inches it has a soft glossy cover and quality black and white interior pages This would make an ideal book for any child that would benefit from logging and acknowledging their feelings and emotions regularly It may also be useful for children who may find communication and expressing themselves challenging such as children with For example Anxiety Autism Adhd or Depression All children can benefit from having a daily journal that they will be able to look back on in future and remember some of the things that we so often forget
