Ultimate Scrapbook Style Trice Boerens, 2006 Scrapbook manufacturers offer products that fit into each of these popular styles: Contemporary, Retro, and Victorian. This book capitalizes on the versatility of these design periods, creating a stylish package that really captures and explores each look. Scrapbookers are always looking for new inspirations. Currently, there are scrapbooking books on techniques, layouts, and themes, but there are no books that focus on particular styles. This series offers scrapbookers an in-depth style book containing a period overview, a samplings section that includes color palettes, papers, stamps, clip art, and embellishments, and then a range of techniques, mini projects, and layouts that all fit into the style theme. Readers will learn to successfully design pages that incorporate all the elements of each period with clever style and flair.
