

EXAMINATION TECHNIQUES

HOW TO ANSWER ESSAY TYPE HISTORY QUESTIONS

The main objective of this book is to show how to answer history questions for advanced level, certificate, diploma and institutions of higher learning. These techniques are also suitable for other subjects such as Kiswahili, General Studies, English (Literature), Geography, etc.

Procedure

1. The first step should be to read the question once, twice or even thrice, to grasp its meaning.
2. The second step is to note the following:
 - a) How many questions are contained in the general question? E.g. How and why was the colonial economy established in East Africa? Note that there are two questions here: *How* and *Why*.
 - b) How many parts are there to each question? E.g. Identify and discuss the main features of the colonial economy. Here there are two parts: *Identify* and *discuss*.
 - c) What question tags are used? A tag is a key word or words used to formulate a question. Words most often used include: Discuss, identify, show how, examine, say why, what, give reasons, account for, highlight, explain, mention, outline, verify the statement, compare and contrast, analyse, etc. E.g.:
 - *Discuss* - paraphrase the question, comment and give your position based on the subject matter and the facts. Criticism/comment is acceptable for this question tag.
 - *Identify* - state your response point by point. Comment/criticism is not necessary for this type of question.
 - *Examine* - is similar to *discuss*. Except in this case give all the reasons of occurrence, criticise/comment on them and determine how true these occurrences are.
 - *Compare* - Show similarities.
 - *Contrast* - Show differences.
 - *Analyse, say why, give reasons, what, account for, explain, highlight, mention, outline, etc.* - Simply give reasons for the phenomenon or occurrence without comment or criticism.
 - *Show how, verify the statement* - Show the truth of the statement or historical event(s) and give your comments without any criticism.

NB: It is especially important to note the type of tag used as one or more tag may be used at the same time.

- d) What topic/issue is the question about? E.g.
 - i) "How did the colonial state maintain settler interests in Kenya?" Topic: the colonial economy.
 - ii) "Why did some African nationalist movements liberate their countries through armed struggle?" Topic: African nationalism and armed struggle
 - iii) "Giving concrete examples, discuss the effects of civil war in Africa". Issue: Current events related to civil war in Africa.
- e) Does the question tag combine topics and/or issues?
E.g. "It has been argued that the present situation of African underdevelopment is a historical phenomenon" Analyse the meaning of this statement. This question combines the following topics that provide a basis for analysing how underdevelopment came about:
 - Early contact and trade with foreigners and particularly Europeans.
 - Mercantilism and the slave trade.
 - The establishment of colonial rule.
 - The colonial economy.
 - Neo-colonialism.
 - Outline of the answer.

After determining (a) through (f) above you can now begin to answer the question. You start by giving an outline. The advantages of doing so are:
