**Democratic Evaluation and Democracy** Donna Podems, 2017-02-01 Democratic evaluation brings a way of thinking  
about evaluation's role in society and in particular its role in strengthening social justice Yet the reality of applying it and  
what happens when it is applied particularly outside the West is unclear Set in South Africa a newly formed democracy in  
Southern Africa the book affords an in depth journey that immerses a reader into the realities of evaluation and its relation to  
democracy The book starts with the broader introductory chapters that set the scene for more detailed ones which bring  
thorough insights into national government local government and civil societies experience of evaluation democratic  
evaluation and their understanding of how it contributes to strengthening democracy or not A teaching case the book  
concludes by providing guiding questions that encourage reflection discussion and learning that ultimately aims to inform
