Common Core Companions Grades K 2 and 3 5 burst on the scene they've already assisted tens of thousands of teachers with the day to day what you do Teachers one big criticism what about mathematics Luckily NCTM past president Linda Gojak and mathematics coach Ruth Harbin Miles stepped up to the task The result That version of the mathematics standards you wish you had Page by page The Common Core Mathematics Companions clearly lay out The mathematics embedded in each standard for a deeper understanding of the content Examples of what effective teaching and learning look like in the classroom Connected standards within each domain so teachers can better appreciate how they relate Priorities within clusters so teachers know where to focus their time The three components of rigor conceptual understanding procedural skills and applications Vocabulary and suggested materials for each grade level band with explicit connections to the standards Common student misconceptions around key mathematical ideas with ways to address them Don't spend another minute poring over the mathematics standards Gojak and Miles have already done the heavy lifting for you Focus instead on how to teach them using The Common Core Mathematics Companion as your one stop guide for teaching planning assessing collaborating and designing powerful mathematics curriculum

Vocabulary Development Timothy Rasinski, William

Rupley, 2019-04-18 Knowledge of word meanings is critical to success in reading A reader cannot fully understand a text in which the meaning to a significant number of words is unknown Vocabulary knowledge has long been correlated with proficiency in reading Yet national surveys of student vocabulary knowledge have demonstrated that student growth in vocabulary has been stagnant at best This volume offers new insights into vocabulary knowledge and vocabulary teaching Articles range from a presentation of theories of vocabulary that guide instruction to innovative methods and approaches for teaching vocabulary Special emphasis is placed on teaching academic and disciplinary vocabulary that is critical to success in content area learning Our hope for this volume is that it may spark a renewed interest in research into vocabulary and vocabulary instruction and move toward making vocabulary instruction an even more integral part of all literacy and disciplinary instruction
