what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn't so much a crazy guy as he was a visionary inspirational and worshipful guy And you don't have to subscribe to any pre or post eschatology theory in order to learn all sorts of good stuff from the apostle So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos they will however acquaint your youth group with the mysterious nature of Revelation then demonstrate how these apocalyptic principles actually provide practical application for us today Here's what's inside every session Detailed overviews for clear convenient prepping Intriguing activities and games with a point that introduce that session's topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises that translate John's visions into practical attainable actions and attitudes for students' daily lives Plus you'll get these bonuses Let's Get Theological lite intros to the various interpretations of the reactions to the events Revelation predicts More More helpful supplements to activities and discussions Worthy of Worship top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God Questions about the future lurk in everyone's minds especially in the minds of teenagers Now is your chance to explore the book of Revelation with your students to glimpse at the never ending worship to come to grab hold of God's promises and his mercy and to bring some ease to troubled hearts The Book of Secrets Melissa McShane, 2018-02-20 Helena Davies just wants a job that will get her out of her parents' basement but by the end of her first day at Abernathy's Bookstore she has a dead boss in the basement and the news that she is now a part of an endless magical war Abernathy's is the world's only living oracle and Helena is now its custodian Without any training she must navigate her new world and find a place for herself within it But there's still a murderer on the loose and Helena might be next on his list One Two Three Laurie Frankel, 2021-06-08 From Laurie Frankel the New York Times bestselling author of *This Is How It Always Is* a Reese's Book Club x Hello Sunshine Book Pick comes *One Two Three* a timely topical novel about love and family that will make you laugh and cry and laugh again In a town where nothing ever changes suddenly everything does Everyone knows everyone in the tiny town of Bourne but the Mitchell triplets are especially beloved Mirabel is the smartest person anyone knows and no one doubts it just because she can't speak Monday is the town's purveyor of books now that the library's closed tell her the book you think you want and she'll pull the one you actually do from the microwave or her sock drawer Mab's job is hardest of all get good grades get into college get out of Bourne For a few weeks seventeen years ago Bourne was national news when its water turned green The girls have come of age watching their mother's endless fight for justice But just when it seems life might go on the same forever the first moving truck anyone's seen in years pulls up and unloads new residents and old secrets Soon the Mitchell sisters are taking on a system stacked against them and uncovering mysteries buried longer than they've been alive Because it's hard to let go of the past when the past won't let go of you Three unforgettable narrators join together here to tell a spellbinding story with wit wonder and
