

The background of the cover is a photograph of a woman with long dark hair, wearing a dark suit, running across a rooftop or balcony. She is moving away from the viewer towards the right. The ground is made of wooden planks, and there is a metal railing. In the background, a city skyline with several tall buildings is visible under a bright, hazy sky. The overall color palette is dominated by blues, greys, and the warm tones of the city lights and sky.

Indulgence In Death:

Indulgence In Death J. D. Robb, 2010-11-11 It's playing more and more like it was for the thrill Just for the rush And if that's the way it is he's already looking for the next thrill First it was a limo driver shot through the neck with a crossbow Then it was a high priced escort found stabbed through the heart with a bayonet Random hits thrill kills and murderers with a taste for the finer things in life and death are making NYPD Lieutenant Eve Dallas angry And an angry Eve can be just as an efficient and dangerous predator as the killer As time runs out on another innocent victim's life Eve's investigation will take her into the rarefied circle that her lover Roarke travels in and into the perverted heart of madness *Crusade Propaganda and Ideology* Christoph T. Maier, 2000-02-24 This book first published in 2000 presents an edition of seventeen ad status model sermons for the preaching of the crusades from the thirteenth and early fourteenth centuries The majority of these texts had never been printed before publication of this book They are unique sources for the content of crusade propaganda in the later Middle Ages giving a rare insight into the way in which propaganda shaped the public's view of crusading during that period Accompanying the Latin texts is an English translation which is aimed at making these sources accessible to a wider circle of students and scholars The first part of the book consists of a study of these model sermons which focuses on their place in the pastoral reform movement of the thirteenth century their specific character as models for the use of crusade propagandists their internal structure and the image of the crusade conveyed in the texts *The Death of Kings* Michael Evans, 2007-01-01 A King's death was a critical and highly dramatic moment often with major political consequences This is an account of what is known about the deaths of all medieval English kings FROM LIFE TO DEATH Richard Allen Brooks, 2011-02-09 If you are seeking perfect rhyme and meter go no further because you are about to read the wrong book of poetry If however you are seeking thoughtful introspection reasoned thought and query interrogatory and response then proceed to read this book for that is just what is in store for you in this first compilation of the poetic expressions of Richard Allen Brooks No one can fully understand or appreciate the works of another person We each bring to our interpretation our own set of experiences through which we must view the work We have not lived the author's life tribulations exalts despair disappointments or jubilations Our interpretation of the author's work is thus a skewed vision of what the author intended in the original meaning of the work even if only slightly and it must be so in order to fit within the confines of our own personal experience which must always be different from that of the author if not in kind then in degree Starting with A Friend Indeed that offers encouragement Your Name tells of living your life but never obtaining the goals you've set for yourself while The Falling Snow was a quiet time after the loss of mother dear sitting on the steps of my younger sister's home just looking out the window at the flakes landing here and there Another one How Sad This Day expresses a loss after losing another loved one and then there is Between Atlantic and Pacific an awareness of those who died during World War II and a memorial dedicated to them Additionally the reader must be advised that Mr Brooks throughout his life

has been a tireless giver of his time and energy to the advancement of mankind in every manner at his disposal As much joy as his work has brought him it has also contained bitter returns through many people who mistook his willingness to be of assistance as a weakness and thus resulted in significant pain and disappointment being experienced by Richard There are many other themes running through this work However there are three predominant and recurring themes which the reader will be confronted with Richard s profound sense of loss on the death of his mother a search for direction and the passing of time This work should be read with deliberation Much of what it has to offer cannot be appreciated through casual mindless reading However if you take the time to think about not just what is being said but why it is being said and the message that is being conveyed in each poem you will come away from this book greatly enriched in your understanding of the significance of love loyalty commitment compassion and understanding not just for your fellow man but for yourself Marilyn V Joyner

At the Hour of Our Death Jean-Miguel Garrigues,2022-10-17 In this series of beautiful and accessible meditations Fr Jean Miguel Garrigues examines death and eternal life in the light of Christian revelation His work is the fruit of years of sustained theological reflection as well as his own experience accompanying terminally ill cancer patients as a hospital chaplain At the Hour of Our Death nourishes the vitally important theological virtue of hope It encourages us to accompany the dying with compassion love and prayer to live in communion with the saints of heaven and the holy souls of purgatory and to wisely and serenely prepare ourselves for the day when we too will be called to accomplish in the company of Jesus the great Passover from this life to the house of our heavenly Father The worldwide pandemic has brought end of life issues closer to many people than ever before Fr Jean Miguel s insights lucidly rendered into English by Fr Gregory Casprini will serve as a help and consolation to many strengthening their faith and encouraging them to pray for and accompany others

Moral and Pastoral Theology Henry Davis,1959 **The Complete History of the Black Death** Ole Jørgen Benedictow,2021 Completely revised and updated for this new edition Benedictow s acclaimed study remains the definitive account of the Black Death and its impact on history The first edition of The Black Death collected and analysed the many local studies on the disease published in a variety of languages and examined a range of scholarly papers The medical and epidemiological characteristics of the disease its geographical origin its spread across Asia Minor the Middle East North Africa and Europe and the mortality in the countries and regions for which there are satisfactory studies are clearly presented and thoroughly discussed The pattern pace and seasonality of spread revealed through close scrutiny of these studies exactly reflect current medical work and standard studies on the epidemiology of bubonic plague Benedictow s findings made it clear that the true mortality rate was far higher than had been previously thought In the light of those findings the discussion in the last part of the book showing the Black Death as a turning point in history takes on a new significance OLE J BENEDICTOW is Professor of History at the University of Oslo **Indulgences, Sacramental Absolutions, and the Tax-tables of the Roman Chancery and Penitentiary Considered, in Reply to the Charge of**
